

# The Rule of Law in America

RONALD A. CASS

"This is the best treatment I have seen of this much-invoked, but inadequately explored concept."

—Mary Ann Glendon, Harvard Law School

"This is a wonderful book. Written in a lucid style and laced with witty observations, *The Rule of Law in America* is immensely readable. It is also a timely and important book. Dean Cass is no misty-eyed cheerleader of the current legal system, but neither is he a cynic. He has provided a clear, levelheaded, and balanced account of both the meaning of the rule-of-law ideal and its status in the United States at the end of the twentieth century. This book is a truly impressive achievement and deserves to be widely read."

—Gregory S. Alexander, Cornell Law School

# LAW and SOCIETY

*New from Chicago*

## Oppositional Consciousness

*The Subjective Roots of Social Protest*

Edited by Jane J. Mansbridge and Aldon Morris

"[A] very exciting collection. From each of these interesting and diverse cases one learns something different about how to reflect on the possibilities of social movement organizing in response to injustice, and by having them together, each gains greater nuance by implicit comparison."<sup>3</sup>—Iris Young, University of Chicago  
Paper \$19.00

## Free to Die for Their Country

*The Story of the Japanese American Draft Resisters in World War II*

Eric L. Muller

"After imprisoning them in 1942, the U.S. government began drafting Japanese-Americans for military service two years later. In *Free to Die for Their Country*, Eric L. Muller details a group of men caught in a horrific catch-22: ostracized by the Japanese-American community for not complying with Uncle Sam's call, yet without rights as citizens. The book is backed by years of research and personal interviews, and fills in an important chapter of United States history."

—*Publishers Weekly*  
Cloth \$27.50

## Pervasive Prejudice?

*Unconventional Evidence of Race and Gender Discrimination*

Ian Ayres

"Ian Ayres is one of the most talented and interesting law professors in the country. In *Pervasive Prejudice?* he directly confronts one of the most important issues of our day—the extent of race and gender discrimination—using sophisticated research to look at car markets, kidney transplants, and bail setting. This is an important work that merits careful scrutiny both from scholars and concerned citizens."—John Donohue, Stanford University  
*Studies in Law and Economics*  
Cloth \$40.00

## Now in paper Troubling Confessions

*Speaking Guilt in Law and Literature*

Peter Brooks

"[A]n extraordinary work of an imaginatively fired intellect, twice blessed by Mr. Brooks' lavish gift for prose. But beware. The book is not a treatise on criminal confessions. It is far better. It is a disquieting, close analysis of the idea of the act of confession."  
—Harold J. Reynolds, *New York Law Journal*  
Paper \$15.00

## When Formality Works

*Authority and Abstraction in Law and Organizations*

Arthur L. Stinchcombe

In this innovative exploration of the concept of formality, or governing by abstraction, Arthur Stinchcombe breathes new life into an idea that scholars have all but ignored in recent years. Arguing that formality has been misconceived as consisting mainly of its defects, Stinchcombe shows how formality, at its best, can serve us much better than ritual obedience to poorly laid plans or a romantic appeal to "real life."

Paper \$16.00

The University of Chicago Press

1427 East 60th Street, Chicago, IL 60637 [www.press.uchicago.edu](http://www.press.uchicago.edu)

# SUPREME COURT JUSTICE

*New from Chicago*

## The Votes That Counted

*How the Court Decided the 2000 Presidential Election*

**Howard Gillman**

"[M]ay well become the classic political-legal analysis of the great judicial controversy of our time. . . . Sophisticated, yet accessible, the book contains enough original source material to provide readers with the flavor of the arguments and decisions; it offers sustained critical analysis; it mounts trenchant criticism where appropriate; and in a wholly unique contribution, it places the conflict in its institutional and political context."—Charles Epp, author of *The Rights Revolution*  
Cloth \$27.50

## The Vote

*Bush, Gore, and the Supreme Court*

**Edited by Cass R. Sunstein and Richard A. Epstein**

"[A] balanced and thoughtful collection"—Ethan Bronner, *New York Times Book Review*

Representing a full spectrum of views and arguments from today's leading constitutional scholars, including Richard Posner, Pamela Karlan, and Samuel Issacharoff, *The Vote* offers the most timely and considered guide to the ultimate consequences and significance of the Supreme Court's decision in *Bush v. Gore*.

Paper \$18.00

## Now in paper Pursuit of Justices

*Presidential Politics and the Selection of Supreme Court Nominees*

**David Alistair Yalof**

"Clearly written and richly documented. . . . The stories told here are thoroughly interesting and informative, and some are rather humorous. . . . [T]his book is a must for anyone concerned about this process."

—James Magee, *Journal of Legislative Studies*

Paper \$18.00

## Illinois Justice

*The Scandal of 1969 and the Rise of John Paul Stevens*

**Kenneth A. Manaster**

"This sordid old scandal has ripened to a juicy deliciousness, especially in the hands of Manaster, a former Illinois assistant attorney general. With a lawyer's eye for detail, the author recalls the unprecedented investigation of two Illinois Supreme Court justices accused of corruption, and the man who spearheaded the search—the then obscure John Paul Stevens."—*Chicago Magazine*  
Cloth \$27.50

**The University of Chicago Press**

1427 East 60th Street, Chicago, IL 60637 [www.press.uchicago.edu](http://www.press.uchicago.edu)

# “The single best guide to academe I have ever read.”\*

Where can aspiring scholars turn for good, frank answers to their questions? Here, three distinguished scholars—with more than 75 years of combined experience—talk openly about what’s good and what’s not so good about academia, as a place to work and a way of life.

## Part I - Becoming a Scholar

- Deciding on an Academic Career
- Entering Graduate School
- The Mentor
- Writing a Dissertation
- Landing an Academic Job

## Part II - The Academic Profession

- The Life of the Assistant Professor
- Teaching and Research
- Tenure
- Competition in the University System and Outside Offers
- Family, Gender and the Personal Side of Academic Life

“Why wasn’t *The Chicago Guide to Your Academic Career* around when I was first starting out? It could certainly have quickly cleared up a great deal of mystification—and saved me a lot of heartache.”—Pepper Schwartz, University of Washington

Paper \$13.00

\*Peter A. Coclanis, University of North Carolina, Chapel Hill

# Law and Society

NEW FROM CHICAGO

## INTERRACIAL INTIMACY

The Regulation of Race and Romance

Rachel F. Moran

"Moran examines the history of U.S. regulation of cross-racial romance, considering the impact of that regulation on the autonomy of individuals and families as well as on racial identity and equality. . . . Moran is attuned to the nuances of race in this polyglot nation, and supplies thoughtful analysis of these nuances."—*Booklist*

Cloth \$30.00

## THE CULTURE OF CONTROL

Crime and Social Order in Contemporary Society

David Garland

"This is a marvelous book. In a compact, clearly written analysis, David Garland seeks to explain the rapid retrenchment of rehabilitative criminal justice in Britain and the United States over the last thirty years. . . . This is a provocative thesis that will inspire research and be of broad interest to students of politics and the welfare state, as well as criminologists."

—Bruce Western, Princeton University

Cloth \$30.00

## THE CONSTITUTION IN CONGRESS

The Jeffersonians, 1801–1829

David P. Currie

"Like its predecessor, *The Federalist Period*, this volume bears David Currie's unique scholarly signature. His prose style easily engages the reader in the constitutional questions debated by the Jeffersonian Congresses, and simultaneously carries on an informative dialogue between the text and the footnotes that allows him to update the constitutional questions under discussion without being intrusive or presentist. It's a marvelous achievement that certainly will be must reading for law professors, constitutional historians, and historians of the Early Republic."—Alan Rogers, Boston College

Cloth \$45.00

## THE SUPREME COURT REVIEW 2000

Edited by Dennis J. Hutchinson, David A. Strauss, and Geoffrey R. Stone

Since it first appeared in 1960, *The Supreme Court Review* has won acclaim for providing a sustained and authoritative survey of the implications of the Court's most significant decisions. Consisting of diverse essays by distinguished lawyers, historians, and social scientists, each volume presents informed analyses of past and present opinions and discusses important public law issues that have come under Court consideration.

Cloth \$54.00
