## Landmark Law Cases and American Society

Peter Charles Hoffer and N.E.H. Hull, series editors

### The Supreme Court and Tribal Gaming

#### *California v. Cabazon Band of Mission Indians*

Ralph A. Rossum

"Some view *Cabazon* as an emphatic ruling supporting tribal sovereignty, while others see it as a deeply compromised decision that elevated state government's role in internal native affairs. Rossum deftly situates the case historically, legally, and culturally, and persuasively argues that this is one of the more important decisions ever handed down by the High Court."

—David E. Wilkins, author of *American Indian Sovereignty and the U.S. Supreme Court*

216 pages, Cloth \$34.95, Paper \$16.95

### The Detroit School Busing Case

#### *Milliken v. Bradley and the Controversy over Desegregation*

Joyce A. Baugh

"An important book on the most important school desegregation case since *Brown v. Board of Education*. . . . Full of riveting descriptions of the Supreme Court Justices' internal deliberations, the Nixon administration's maneuverings, and a contemporary political context that included antibusing riots in Boston and growing demands from 'liberal' northern congressmen for a constitutional amendment to bar busing."—Michael J. Klarman, author of *From Jim Crow to Civil Rights*

248 pages, Cloth \$34.95, Paper \$17.95

### The Free Press Crisis of 1800

#### Thomas Cooper's Trial for Seditious Libel

Peter Charles Hoffer

"A terrific piece of work by one of our very best historians. Written with verve and authority, it provides a masterful account of a little-known story with powerful implications for the subsequent history of free speech."—Peter S. Onuf, author of *Jefferson's Empire*

168 pages, Cloth \$34.95, Paper \$16.95

**Habeas Corpus in America**  
**The Politics of Individual Rights**

Justin J. Wert

“An impressive and engaging account of how the Great Writ, designed as a fundamental protector of liberty, has been shaped and misshaped by political forces. Wert’s history is a clarion call for a reaffirmation of the writ at its best.”—David Cole, author of *Terrorism and the Constitution*

“An excellent and much-needed study that focuses our attention on the politics that have always surrounded this important right.”—Keith E. Whittington, author of *Constitutional Interpretation: Textual Meaning, Original Intent, and Judicial Review*

“An innovative history of habeas corpus that enhances our understanding of the way in which courts are part of political regimes.”—Mark Tushnet, author of *Why the Constitution Matters*

*Constitutional Thinking*  
 296 pages, Cloth \$34.95

**NEW IN PAPERBACK**

**Andrew Jackson and the Constitution**  
**The Rise and Fall of Generational Regimes**

Gerard N. Magliocca

“A truly distinguished contribution to our constitutional understanding, combining theory and history in an exemplary fashion. If you are going to read one book about our Constitution this year, read Magliocca’s.”—Bruce Ackerman, author of *The Failure of the Founding Fathers: Jefferson, Marshall, and the Rise of Presidential Democracy*

198 pages, 19 photographs, Paper \$19.95

# International Journal of Cultural Property

Published for the  
International Cultural Property Society

**EDITOR:**

ALEXANDER A. BAUER, *Queens College, CUNY, USA*

*International Journal of Cultural Property* provides a vital, international, and multidisciplinary forum for the broad spectrum of views surrounding cultural property, cultural heritage, and related issues.

Its mission is:

- to develop new ways of dealing with cultural property debates
- to be a venue for the proposal or enumeration of pragmatic policy suggestions
- to be accessible to a wide audience of professionals, academics, and lay readers

This peer-reviewed journal publishes original research papers, case notes, documents of record, chronicles, conference reports, and book reviews.

Contributions come from the wide variety of fields implicated in the debates - **law, anthropology, public policy, archaeology, art history, preservation, ethics, economics, museum-, tourism-, and heritage studies** - and from a **variety of perspectives and interests - indigenous, Western, and non-Western; academic, professional and amateur; consumers and producers** - to promote meaningful discussion of the complexities, competing values, and other concerns that form the environment within which these disputes exist.

# International Theory

## EDITORS:

DUNCAN SNIDAL, *University of Chicago*

ALEXANDER WENDT, *The Ohio State University*

**International Theory (IT)** promotes theoretical scholarship about the positive, legal, and normative aspects of world politics respectively. **IT** is open to theory of absolutely all varieties and from all disciplines, provided it addresses problems of politics, broadly

defined and pertains to the international. **IT** welcomes scholarship that uses evidence from the real world to advance theoretical arguments. However, **IT** is intended as a forum where scholars can develop theoretical arguments in depth without an expectation of extensive empirical analysis.

**IT's** over-arching goal is to promote communication and engagement across theoretical and disciplinary traditions. **IT** puts a premium on contributors' ability to reach as broad an audience as possible, both in the questions they engage and in their accessibility to other approaches. This might be done by addressing problems that can only be understood by combining multiple disciplinary discourses, like institutional design, or practical ethics; or by addressing phenomena that have broad ramifications, like civilizing processes in world politics, or the evolution of environmental norms. **IT** is also open to work that remains within one scholarly tradition, although in that case authors must make clear the horizon of their arguments in relation to other theoretical approaches.

**The first issue of the *Asian Journal of International Law* will be published by Cambridge University Press in January 2011.**

The *Asian Journal of International Law* is produced for the Asian Society of International Law by the National University of Singapore Faculty of Law and succeeds the *Singapore Year Book of International Law*.

It publishes peer-reviewed scholarly articles and book reviews on public and private international law. The regional focus of the *Journal* is broadly conceived. Some articles may focus specifically on Asian issues; others will bring one of the many Asian perspectives to bear on issues of global concern. Still others will be of more general interest to scholars, practitioners, and policymakers located in or working on Asia.

The *Journal* is published in English as a matter of practical convenience rather than political endorsement. English language reviews of books in other languages are particularly welcomed.

## EDITORS:

CATHERINE REDGWELL  
*University College London, UK*

ROBERT MCCORQUODALE  
*British Institute of  
 International and Comparative Law, UK*

Published for the British Institute of International and Comparative Law *International & Comparative Law Quarterly (ICLQ)* publishes papers on public and private international law and also comparative law. It has maintained its pre-eminence as one of the earliest and most important journals of its kind, encompassing human rights and European law. The journal encourages innovative and original articles that explore the interconnectedness between the legal subject areas, moving across the boundaries that divide the law in a way that provides vital analysis at a time when formal distinctions, in scholarship and between jurisdictions, are becoming less relevant. The *ICLQ* attracts scholarship of the highest standard from around the world, which contributes to the maintenance of its truly international frame of reference. The 'Shorter Articles, Comments, and Notes' and 'Current Developments' sections particularly enable the discussion of highly topical legal issues.

## Note to Contributors

---

The editors welcome unsolicited article manuscripts for review, but commission all book reviews. Authors should submit their manuscripts online at <http://journals.cambridge.org/lhr>. Step-by-step instructions on the website explain the submission process. Manuscripts must be double-spaced typescript throughout, with citations prepared according to the *Chicago Manual of Style*, 15th ed. The *Review's* style guides for articles and book reviews are available on the *LHR* web page at <http://journals.cambridge.org/lhr>. Please use word processing. Submitted manuscripts are subject to double-blind peer review; authors should therefore identify themselves on the title page only. Accepted manuscripts are copyedited for style but not substance; authors remain responsible for citation accuracy and for all statements of fact or opinion. *Law and History Review* will not consider any manuscript concurrently submitted for publication elsewhere. Submission of a manuscript is understood to commit its author to publish the manuscript in *Law and History Review* if accepted by the editor.
