## **A Reference Grammar of Maithili**

1996. 15.5 x 23 cm. XII, 400 pages.

Cloth DM 198,- / öS 1544,- / sFr 189,-

ISBN 3-11-014558-8

(Trends in Linguistics. Documentation 11)

**Mouton de Gruyter**

This reference grammar, which meets modern linguistic standards, presents a comprehensive description of Maithili, a modern Indo-Aryan language spoken in the Bihar state of India and parts of Nepal.

The description is thorough and systematic; many readers will appreciate the abundance of carefully glossed examples as well as the detailed account of Maithili grammaticality judgements.

This grammar will prove extremely useful not only to specialists in Maithili, but also to readers of a more general background who wish to have a comprehensive picture of Maithili grammar.

## **A Claim to Land by the River**

A Household in Senegal,  
1720–1994

**Adrian Adams and Jaabe So**

This extraordinary book, much of which was written first in an African language, will be an invaluable reference for those who believe that Africans may yet redeem a future free from the false promises of development by drawing on an inherited past.

## **The Transmission of Knowledge in South Asia**

Essays on Education, Religion,  
History and Politics

Edited by **Nigel Crook**

These essays look at schools and schooling, the telling of myth, colonial information gathering, and the spread of the 'hindutva' ideology.

## **Creating a Nationality The Ramjanmabhumi Movement and Fear of the Self**

**Ashis Nandy, Shikha Trivedy, Shail Mayaram, and Achyut Yagnik**

The destruction of the Babri Masjid at Ayodhya in 1992 was a watershed in the politics of independent India. It was also a turning-point for community life at Ayodhya. This book narrates how Ayodhya's inhabitants experienced the events that led up to and followed the destruction of the mosque.

## **Lands and Tenants in South India**

A Study of Nellore District,  
1850–1990

**M. Atchi Reddy**

This book raises serious doubts about much of the accepted wisdom regarding the relative bargaining powers of landlords and tenants. Using unpublished data from the 1850s onwards, it shows how tenancy has helped in a slow but smooth transfer of land from absentee landlords to tenants and other cultivators, often giving them an upper hand.

## **Myths, Saints and Legends in Medieval India**

**Charlotte Vaudeville**

Compiled with an introduction by  
**Vasudha Dalmia**

The essays in this volume offer a representative selection of studies of the North Indian devotional traditions of the medieval period. They deal with the cluster of myths surrounding the pastoral cults of Krsna in the Braj region, Vithoba in the Pandharpur area in Maharashtra, and the popular romantic legends of the Ahirs and Jats in North India.

## **The Home of Dancing Sivan**

The Traditions of the Hindu  
Temple in Citamparam

**PAUL YOUNGER**

Younger describes the daily and festival worship of the only Hindu temple in India where Shiva in his dancing form is the primary object of worship. He analyses the history revealed in the architecture of the buildings and the 300 inscriptions on the temple walls, and in the process tries to understand the multifaceted role of the temple in Indian life.

## **Religion, Civil Society and the State**

A Study of Sikhism

**J. P. S. UBEROI**

Religion, civil society, and the state form the three dimensions of this semiological study of Sikhism. Professor Uberoi argues for a recognition, of the figure of the martyr – whose victory is over the 'self' – rather than the figure of the hero – whose victory is over the 'other' – or of the victim, as the universal foundation of civil society.

## **The Cambridge Illustrated History of the Islamic World**

**Edited by Francis Robinson**

*University of London*

Celebrating the achievements of the Islamic world, *The Cambridge Illustrated History of the Islamic World* is a major cultural history of Islam from Muhammed to the present day. Covering everything from its commerce, social ordering, knowledge and learning to its art and architecture, it emphasises the close relationship between the Islamic world and the West. It will enrich understanding of Muslim civilization and place in perspective the role of Islam in the world today.

## **The Cambridge Illustrated History of China**

**Patricia Buckley Ebrey**

*University of Illinois*

Drawing wherever possible on traditional Chinese interpretations of events and developments, *The Cambridge Illustrated History of China* explores the contribution of the various factors and forces, ideas and inventions, events and leaders that have shaped Chinese civilization. Phenomenal in scope, the book embraces all aspects of Chinese culture, economics and politics. But key emphasis is placed throughout on the major social and cultural developments, and how they impinged on the lives of ordinary people.
