# The Chetnik Movement and the Yugoslav Resistance

MATTEO J. MILAZZO

Focusing on the resistance and civil war in Yugoslavia during World War II, Milazzo describes the conflicts between the Chetniks, or officer-led Serb nationalists, and the occupation order, the Communist Partisans. His fascinating reconstruction of the development of the Serb nationalist illuminates the realities of the occupation system, the tactics of Tito's Partisans, and the ultimate failure of General Milhailovic and the Chetnik movement. \$12.00

## TO THOSE WISHING TO SUBMIT MANUSCRIPTS

Three copies of any article or note should be submitted, and at least one copy must be in a form suitable for sending to the printer. Footnotes should be double-spaced and placed at the end of the manuscript. Library of Congress transliteration should be used. *Articles should contain a final section in which the author sets out his main conclusions in a way which will be intelligible to the nonspecialist reader.* In general, articles should not exceed twenty-five pages, except where especially justified, e.g., by extensive documentation, tables, or charts. Manuscripts will not be returned unless specifically requested. The policy of the *Slavic Review* is not to consider materials that have been published or that are being considered for publication elsewhere.

# THE GREAT RUMANIAN PEASANT REVOLT OF 1907

ORIGINS OF A MODERN JACQUERIE

BY

PHILIP GABRIEL EIDELBERG

1974. xii, 259 pp., 3 maps.

*cloth* Gld. 64.—

Unlike most previous studies in modern East European history, this work seeks to give a systematic analysis of the causes of a major peasant revolt, stressing both long- and short-term factors. The author examines in detail Rumanian agrarian history between 1864 and the First World War. Wherever possible, the subject is discussed within a general European context, with emphasis on Eastern and Central Europe. An attempt is made to treat Rumanian history in regional as well as national terms; although there is much regional history in West European historiography, relatively little has appeared dealing with Eastern Europe. This book is the product of four years' research in Rumanian libraries and archives.
