## INFORMATION FOR AUTHORS

Manuscripts and related correspondence should be addressed to:

R Adams Cowley, MD  
Journal of the World Association for  
Emergency and Disaster Medicine (JWAEDM)  
MIEMSS  
22 S. Greene Street  
Baltimore, Maryland 21201, U.S.A.

The Journal will consider for publication original papers concerning research, education, planning, and delivery of emergency and critical care medicine, with emphasis on their relevance for disaster situations.

### Manuscripts

Manuscripts should be typed double spaced throughout, including footnotes, references, and figure legends, on one side of 8 1/2" x 11" paper. An original and two clear copies should be submitted. Manuscripts should be clearly written and, where appropriate, include abstract, introduction, methods, results, discussion, conclusions, and references. Footnotes should be included, where applicable. Tables should be numbered and cited in the text. All manuscripts *must* be typed in *English*. The title page should include the title of the contribution; the author(s) name(s), highest degrees, departments, and institutions; the name of the organization and date of the meeting if the paper has been presented; and the name, address, and telephone number of the author responsible for correspondence concerning the manuscript. Suggested length of manuscript is six to eight pages.

### Originality

All manuscripts submitted should not be under consideration by another journal. Accepted manuscripts may not be published elsewhere without the written permission of the editor. Any material previously published must be accompanied by written consent from all authors and publisher. Research on human subjects should include a statement indicating approval by the institution's human research committee.

### Illustrations

Line drawings and/or photographs should be suitable for black-and-white reproduction, i.e. glossy camera-ready reproductions. Tables and figures should be cited in the text. Legends to figures should be typed on separate sheets. The article title, author, figure number, and top should be shown on the back of each figure. X-rays should be high-contrast glossy prints with black areas of print corresponding to black areas on original negatives. Illustrations appearing in other publications require reprint permission from the author and publisher.

### References

References should be cited in the text, using the same number every time the reference appears. References should be listed separately under the heading "references" at the end of the paper; for research papers in numbered consecutive sequence as they appear in the text; and for review papers, in alphabetic sequence. List up to three authors; if more, "et al". Use Index Medicus style.

#### For Papers:

Duerner P, Frey R, Kassuehike M. Medical Attendance in Air Transportation of Patients. *J World Assoc Emerg Disaster Med* 1985; 1:50.

#### For Books:

Schwartz GR, Safar P, Stone JH, et al (eds). *Principles and Practice of Emergency Medicine*. Philadelphia: W. B. Saunders, 1985 (second edition).

#### For Chapters:

Lindenberg, R Pathology of Head Injuries. In, Cowley RA, Trump BF (eds). *Pathophysiology of Shock, Anoxia and Ischemia*. Baltimore: Williams and Wilkins, 1982:588.

## MEMBERSHIP IN THE WORLD ASSOCIATION FOR EMERGENCY AND DISASTER MEDICINE (WAEDM)

Those seeking membership in WAEDM should apply in writing to:

Dr. Peter Baskett  
Honorary Secretary  
World Association for Emergency and  
Disaster Medicine (WAEDM)  
Frenchay Hospital  
Bristol BS16 1LE, United Kingdom  
Telephone 272/565656

Qualified for membership are physicians and non-physicians alike—clinicians, nurses, educators, investigators, administrators, organizers, leaders, or other relevant roles—with an interest and proven experience in emergency and/or disaster medicine who express continued interest and willingness to be involved in the development of this field.

**Dues:** \$60.00 U.S. per year including Journal subscription. Non-member subscription rate \$60.00 U.S. per year.

Dr. John Lane (Campinas)  
Dr. L.S. Pannain (Rio de Janeiro)  
Dr. Jair Sarmento da Silva (Brasilia)

## **GENERAL INFORMATION**

The 5th World Congress will be held at the Sheraton Hotel in Rio on May 13th - 16th, 1987 in succession to previous congresses on Emergency and Disaster Medicine in Mainz in the 1970's, in Pittsburgh in 1979 and in 1981, in Rome in 1983 and in Brighton in 1985.

Rio's 1987 World Congress will cover important medical and general health care subjects in the field of Emergency and Disaster Medicine from around the world.

Participation in the Congress by international organizations dealing with various aspects of Emergency and Disaster Medicine has been confirmed. Physicians, nurses, paramedical personnel, administrators and allied specialists in various fields will participate in the meeting.

### **Objectives**

- Daily meetings among participants from diverse backgrounds will offer an opportunity to initiate, update and exchange ideas.
- The identification of common problems associated with disaster and practical guidelines for more efficient control of emergency and disaster situations.
- A discussion of the possibility of using information centers which would be permanently available for consultation during disaster situations.
- A consideration of the best methods of disseminating the "information" which is constantly being generated and its incorporation into teaching, training and management objectives.
- An attempt to categorize particular aspects of emergency disaster events which may have common solutions worldwide.
- Proposals concerning future congresses and meetings to encourage co-ordination of proposals and results so as to avoid conflicts of topics and dates.

### **Continuing Education Credits**

The Congress qualifies for 21 hours of continuing Medical Education Credits. Application for CME Credits has been submitted.

## **SCIENTIFIC PROGRAM**

Contributions are invited for the Scientific Program. A Scientific Abstract form should be completed and submitted to the Congress Secretary before *January 31st, 1987*. Verbal presentations should be no longer than 15 minutes. Poster and videofilm presentations will be accepted.

The following themes of Emergency and Disaster Medicine will be highlighted:

1. Organization and Management.
2. Information Support.
3. Training and Teaching.
4. Airport and Aircraft Disasters.
5. Animal, Agricultural and Marine Ecology Disasters.
6. Miscellaneous Disasters.
7. Nondisaster Emergencies and their relation to Disaster Medicine.
8. The activities of collaborating organizations.

9. The Use of Computers and Videofilms in Emergency and Disaster Medicine.
10. The Role of Intensive and Critical Care.
11. Drug Abuse in Relation to Disasters.
12. The Relationship of the Traditional Medical Specialties with Emergency and Disaster Medicine.

**Location and Accomodation:**

The Rio Sheraton Hotel has been selected as the Congress Headquarters. It is located at the end of the famous Ipanema Beach that extends with the Leblon area to 10 kms of sea beach. You may also use the Sheraton's private beach, swimming pool and dine in the barbecue steak house by night and day. The Scientific Program will be conducted in convenient rooms for both large and small audiences.

A package arrangement has been negotiated at favorable rates, which includes 7 nights in a first-class hotel, Brazilian-style breakfast and transfers between the hotels and the airport and hotels and the Congress each day.

Delegates are asked to make reservations on the Application Form for Enrollment provided with this program, or obtainable from the Congress Secretariat.

**Accommodation Arrangements:**

Hotel Room rates for 7 nights US\$	Double (per person)	Single Supplement
SHERATON	\$410.00	\$230.00
MARINA PALACE	\$410.00	\$230.00
NATIONAL	\$322.00	\$120.00
APART SUITE HOTELS	\$295.00	\$ 95.00

All are 5 Star Hotels. The Sheraton is the Congress Headquarters. The others are 5, 10 and 20 minutes respectively from the Sheraton by taxi or twice this time by regular city buses. The prices include 7 nights' stay (May 9-16, 1987), daily breakfast—buffet style—and ground transportation related to Congress activities (to and from airport, hotel/congress twice a day, opening and closing dinners).

Your reservation is confirmed by completing the APPLICATION FOR ENROLLMENT. Upon receiving your application, the Congress Secretariat will mail the respective documents, with details for check-in upon your arrival.

If you will be late arriving, please inform the hotel.

Indicate your 1st, 2nd and 3rd choice hotel. Room allocations will be made in the order they are received. All efforts will be made to accomodate your needs.

Be sure to list room occupants' names and addresses. Allocation may be delayed until complete information is received.

Because of the limitation of rooms, it is suggested to make your reservation immediately. Prices are valid only for the 7 days stated, otherwise regular prices will be charged.

CONGRESS FEES:	Until Dec 31 '86	Until Feb 28 '87	After Feb 28 '87	During Congress
Presenters and attendees	US \$200.00	\$250.00	\$300.00	\$350.00
Accompanying person	\$ 30.00	\$ 40.00	\$ 50.00	\$ 55.00

Accompanying person attending Scientific Sessions is required to pay a full Registration Fee.

**Travel and Visas**

Visa applications should be filed at the nearest Brazilian Embassy or Consulate at least 6-8 weeks before departure date. Travel agents and airline companies can provide assistance.

Special arrangements for reduced air fares have been made. Inquiries can be made from the Congress Secretariat who have liaison with travel agents in most countries.

**Registration:**

Delegates should complete the Application for Enrollment and Scientific Abstract Forms and return them with their fees to the Congress Secretariat, C. Postale 14,700 Rio de Janeiro, Brazil. Receipts will be sent to applicants.

**Address For All Correspondence:**

Dr. Brenildo Tavares,  
Chairman, Organizing Committee,

I wish to submit the abstract below for presentation at the 5th WORLD CONGRESS ON EMERGENCY AND DISASTER MEDICINE.

ABSTRACT TO BE TYPED CLEARLY WITHIN BOX ONLY.

Center at the top of the abstract box the title of the abstract all in capital letters, followed by the full names and degrees of the authors and institutions in capital and small letters. The abstract should contain a statement of purpose, methods by which the study was accomplished and analyzed and the conclusion reached.

Complete manuscript (original and two copies) if not airmailed by February 28th 1987, should be hand delivered to the registration desk. One copy will be utilized to assist the translator during your presentation.

The original manuscript will be utilized for off-set printing (paper sheet 20 cm x 26 cm) in the proceedings as a special issue of the WAEDM "WORLD ASSOCIATION FOR EMERGENCY AND DISASTER MEDICINE" JOURNAL. The format of references should be according to the Index Medicus arranged in sequential order of citation in the text.

MAILING DEADLINE: FEBRUARY 28th 1987 to C. POSTAL 14700  
RIO/RJ, BRAZIL (AIR-MAIL ONLY).

OFFICIAL LANGUAGE: ENGLISH

Simultaneous translation into Spanish and Portuguese will be provided according to needs and possibilities.  
**PLEASE KEEP A COPY FOR YOUR OWN RECORDS.**
