The **International Committee of the Red Cross (ICRC)**, together with the League of the Red Cross and Red Crescent Societies and the 145 recognized National Red Cross and Red Crescent Societies, is one of the three components of the International Red Cross and Red Crescent Movement.

An independent humanitarian institution, the ICRC is the founding body of the Red Cross. As a neutral intermediary in case of armed conflicts or disturbances, it endeavours on its own initiative or on the basis of the Geneva Conventions to protect and assist the victims of international and civil wars and of internal troubles and tensions, thereby contributing to peace in the world.

*International Review of the Red Cross* has been published, in French, under various titles, by the International Committee of the Red Cross (ICRC) since 1869. Its first complete edition in English was issued in 1961.

- As the official organ of the ICRC and the International Red Cross and Red Crescent Movement,
- specializing in international humanitarian law and ICRC doctrine,
- recording the international activities of the Red Cross, mainly for reference purpose, as a chronicle of events,

*International Review of the Red Cross* provides a constant flow of information and maintains the necessary link between the members of the International Red Cross and Red Crescent Movement.

---

*International Review of the Red Cross* appears once every two months in three languages:

in English: INTERNATIONAL REVIEW OF THE RED CROSS (from 1961)

in French: REVUE INTERNATIONALE DE LA CROIX-ROUGE

in Spanish: REVISTA INTERNACIONAL DE LA CRUZ ROJA (from 1976)

It also publishes, in German, a short edition, *Extracts*, of various articles which appear in the main editions.
