

Editor's Note and Call Papers

The Review editor, Jan-Ola Östman, wants to point out to the readers of NJL that in addition to traditional book reviews we will attempt to publish shorter book notices. (For further details, see the section 'Publications Received.')

The second issue of Vol. (21) 1998 is being devoted to "Argument Structure" and is being edited by Professor Helge Lødrup (Dept. of Linguistics, University of Oslo, P.O. Box 1102, N-0317 Oslo, Norway). Articles within any theoretical framework are hereby invited. Send contributions either to the editor or directly to Professor Lødrup by 31 January 1998.
