# MULTIPLE PREGNANCY AND TWIN CARE

Proceedings of an International Symposium

Edited by Paolo Parisi

With a Foreword by Professor Luigi Gedda

Supplement to Volume 22

ACTA GENETICAE MEDICAE ET GEMELLOLOGIAE

CAPPELLI EDITORE

BOLOGNA 1974

## INTERNATIONAL SYMPOSIUM ON MULTIPLE PREGNANCY

Warsaw: 16-18 October 1972

### Organized by:

National Research Institute of Mother and Child  
Warsaw, Poland

### Organizing Committee:

Krystyna Bozkowa, President  
Stefan Soszka, Wanda Szotowa, Barbara Kanska, Vice-Presidents  
Halina Tomaszewska, Secretary  
Halina Hofman, Anna Koslacz-Folga, Henryk Klawe, Ryszard  
Kordzialek, Halina Kosmider, Jadwiga Slenzak

### Scientific Committee:

Stefan Soszka, President  
Jozef Sieroszewski, Vice-President  
Halina Tomaszewska, Secretary  
Jan Kobiela, Krystyna Bozkowa, Stefan Metler, Kazimierz Erecinski,  
Wanda Szotowa, Barbara Kanska

Rudniev's Hall, Palace of Culture and Science, Warsaw, Poland

# CONTENTS

IX Foreword by Professor Luigi Gedda

XI Preface

## 1. MULTIPLE PREGNANCY AS A HIGH-RISK PREGNANCY

- 3 Multiple Pregnancy as a High-Risk Pregnancy  
Medical statistical data from the German Democratic Republic  
by I. LEETZ
- 7 The Prognosis of Twins and Prematurity  
by I. ZOLTAN
- 10 Prognosis for the Newborn from Multiple Pregnancy  
by R. OSUCH-JACZEWSKA, O. LEMPART, Z. OCHABSKA
- 15 Perinatal Mortality of Twin Fetuses and Newborns  
by J. ROBACZYNSKI, G. ROBACZYNSKA
- 18 Perinatal Mortality Rate in Multiple Pregnancies  
by S. METLER, W. MIERZEJEWSKI, St. METLER, J. RUDZINSKI
- 20 Developmental Defects and Mortality Rate of Fetuses and Newborns from Multiple  
Pregnancies  
by J. EMERICH, Z. ROGOZA, W. SYLWESTROWICZ
- 21 Complications of Multiple Pregnancy  
Observations on the Danzig population over twenty years  
by St. METLER, S. METLER, J. RUDZINSKI, W. MIERZEJEWSKI
- 22 Multiple-Pregnancy Complications  
by H. SKALBA, R. OSUCH-JACZEWSKA, O. LEMPART, Z. OCHABSKA
- 27 Pathomorphologic Changes of the Cardiovascular System in Twins  
by I. ROSE
- 33 Course of Serologic Incompatibility in Twin Fetuses  
by J. ROBACZYNSKI, G. ROBACZYNSKA
- 38 Unusual but Frequent Etiology of an Acute Perinatal Distress in Twin Pregnancies  
by S. SAINT-ANNE DARGASSIES
- 42 Multiple-Pregnancy Duration  
by S. MILEWICZ
- 44 Maternal Pregestational Weight and Multiple-Pregnancy Duration  
by T. KONWINSKI, C. GERARD, A.M. HULT, E. PAPIERNIK-BERKHAEUER
- 48 Early Diagnosis of Multiple Pregnancy  
by J. SIEROSZEWSKI, W. FIJALKOWSKI, Z. PIECHOWIAK, J. WILCZYNSKI, A.W. DOROSZEWSKI
- 52 Ultrasonographic Diagnostics of Multiple Pregnancy  
by M. KITTRICH
- 54 Oxytocinemia in Multiple Pregnancy  
by R. KLIMEK, C. BRYNIAK, W. KALLISTA-MILEWICZ, S. MILEWICZ, A. PARADYSZ
- 57 The Efficiency of Some Placental Tests in the Course of Multiple Pregnancies  
by J. RUDZINSKI, S. METLER, W. MIERZEJEWSKI, St. METLER
- 59 Results of a Specialized Preventive Care in Women with Twin Pregnancy  
by J. HORSKY, Z. FIALOVA

- 62 Management of Some Aspects of Twin Labor and Delivery  
by F. LEROY
- 70 Management of Twin Labor  
by Z. STERNADEL, A. LYSIKIEWICZ
- 73 Conditions of Delivery in Multiple Pregnancy  
Observations on the Danzig population over twenty years  
by W. MIERZEJEWSKI, S. METLER, St. METLER, J. RUDZINSKI
- 75 Obstetrical Problems of Conjoined Twins  
by D. RUSKIEWICZ
- 78 The Course of Puerperium after Twin Labor  
by A. LYSIKIEWICZ, Z. STERNADEL

## 2. TWIN POSTNATAL DEVELOPMENT

- 83 Newborn Twins  
by L. BIENKIEWICZ, E. POGORZELSKA
- 88 An Attempt to Estimate Normal Values of Peripheral Blood in Twins at the First, Third,  
and Sixth Day after Delivery  
by J. DOMAGALA
- 94 Some Parameters of Erythrocyte System in Newborn Twins  
by A. DZIEDZIUSZKO, H. OSMIAK
- 96 Cardiovascular System in Newborns from Multiple Pregnancy  
by Z. ROGOZA
- 99 Cardiac Electrogenesis in Twins  
by J. JAGIELSKI, J. NOLIS
- 103 Longitudinal Dental Examination in Twins  
by Z. KOVACS, T. KOZMA, M. PASIERBINSKA
- 106 The Follow-up History of Children from Multiple Pregnancies  
by T. BANACHOWA, M. MIECZNIKOWSKA, J. ROSCISZEWSKA-KRAWCZYK
- 109 Further Development of Children from Multiple Pregnancy  
by Z. OCHABSKA
- 113 Psychomotor Development and the Postnatal Fate of Children from Multiple Pregnancy  
by R. OSUCH-JACZEWSKA
- 120 Development of Premature Twins with Dissimilar Birth Weight  
I. Physical development  
by A.A. JANUS-KUKULSKA, J. KIEPURSKA-ZDZIENICKA
- 125 Development of Premature Twins with Dissimilar Birth Weight  
II. Mental development  
by St. LIS, A. JANUS-KUKULSKA
- 129 Psychomotor Development of Twins in the First Six Months of Life  
by D. CHRZANOWSKA, M. ZDANSKA-BRINCKEN
- 132 The Mental Development of Children from Multiple Pregnancy  
by J. SLENZAK, M. BRINCKEN, D. CHRZANOWSKA, E. KULINSKA, K. ZORSKA
- 135 Psychomotor Development of Children from Multiple Pregnancies  
A psychological evaluation  
by M. BOGDANOWICZ

- 139 Some Aspects of the Physical and Mental Development of Triplets  
by K. GLINKOWA, J. STACHYRA, J. GLOWACKA
- 142 Effect of Living Conditions on the Development of Multiplets Born in the Danzig Province in 1957-1971  
by M. KAMINSKA, A. KSIEZOPOLSKA-KACZOROWSKA, A. MAREK, B. GUMKOWSKA-KAMINSKA, M. BOGDANOWICZ

### 3. LONG-TERM OBSERVATIONS OF QUADRUPLETS

- 149 The Bristol Quadruplets  
Twenty-four-year history  
by B.D. CORNER
- 154 Uniovular Quadruplets of Wrocław  
by T.K. NOWAKOWSKI

### 4. THE DANZIG QUINTUPLETS

- 161 The Danzig Quintuplets: Course of Gestation  
by S. METLER, J. RUDZINSKI
- 164 Morphology of the Afterbirth of the Danzig Quintuplets  
by S. METLER, J. MEYER, J. RUDZINSKI
- 168 Genealogical Blood-Group Analyses of the Danzig Quintuplets  
by S. RASZEJA, A. KRUEGER
- 170 The Danzig Quintuplets: Perinatal Complications and First Days of Life  
by A. DZIEDZIUSZKO, A. KRYWKO
- 175 Changes in the Level of Immunoglobulins in the Danzig Quintuplets in Their First Year of Life  
by J. BOWSZYC, JANINA BOWSZYC
- 178 Physical Development of the Danzig Quintuplets in Their First Year of Life  
by M. KAMINSKA
- 186 Psychomotor Development of the Danzig Quintuplets in Their First Year of Life  
A psychological evaluation  
by M. BOGDANOWICZ

### 5. THE TWINNING PHENOMENON: Etiologic, Genetic, and Demographic Aspects

- 191 Oocyte Overripeness Relation to Multiple Pregnancy  
An epidemiologic study  
by E. PAPIERNIK-BERKHAEUER, A. ADES, T. KONWINSKI
- 193 Multiple Pregnancy Induced by Ovary Hyperstimulation  
by H. KONEFKA
- 195 HCS, HCG, and HCG Subunit Serum Levels During Multiple Pregnancies  
by U. GASPARD, P. FRANCHIMONT
- 198 Pituitary Gonadotropins and Multiple Births in Nigeria  
by P.P.S. NYLANDER
- 202 Multiple Births in Poland in 1949-1971  
by A. ROLA-JANICKI

- 210 Multiple Births in Southern Moravia  
by M. ZAHALKOVA
- 214 Unexplainable Demographic Phenomena of Multiple Births in Hungary  
by A. CZEIZEL
- 219 The Twin Register of Budapest  
by A. CZEIZEL, J. AGOSTON, Z. BOGNAR, I. ORY, T. SZABADOS
- 223 The Genetic and Somatopsychic Examination of Twins Born in Budapest in the Year 1970  
by J. SARKANY, J. AGOSTON, G. GORACZ, H. TOMKA
- 231 The Genetic Characteristics of South-Moravian Twins  
by Z. BRUNECKY, M. ZAHALKOVA
- 234 The Placenta and Zygosity of Twins  
by P.P.S. NYLANDER
- 238 Maintenance of Low Level of Sex Chromatin in One of Uniovular Twins  
by W. KONOPADA
- 240 Studies on Karyotypes in Children from Triplet Pregnancies and in Their Parents  
by JANINA BOWSZYC, W. MIEROSLAWSKI
- 243 References
- 255 Index of Authors
- 257 Name Index
- 261 Subject Index
