

WILD LIFE OBSERVER. Editor: MAURICE BURTON, D.Sc.
Mary Glasgow and Baker, Ltd., London, W. 8. Monthly
(except April, August, December). Price 1s. or 10s. 6d.
yearly, postage paid.

An admirable little nature magazine for children from 10 to 15 years of age. There are good articles of wide scope, the March number gives us—The common brown hare; Reptiles in the Spring; Catkins; Weaving Ants in Malaya; Wood Anemone. The illustrations are wonderful. A competition is set in each issue to encourage children to record their own nature observations. Unreservedly recommended.
