

CLAIMS

Claims for missing numbers should be made within 90 days following the regular month of publication. The *Latin American Research Review* will supply missing copies free only when losses have been sustained in transit. Claims cannot be honored beyond one year from date of publication of the issue.

MOVING?

Each February, June, and October some copies of LARR are returned to the office because subscribers did not provide for the forwarding of third class mail. The cost to the *Latin American Research Review* of each such return and the additional expense for forwarding now runs close to \$1.00. Therefore, beginning with Volume VII:1 (February 1972), any copy of LARR returned to us because of an undeclared change of address will not be sent out again from our office unless the addressee sends \$1.00 to cover the cost of handling. In order to avoid the charge, please notify us immediately of your change of address when you move.
