## Instructions for Contributors

*Bird Conservation International* publishes papers and communications on subjects relevant to the conservation of birds, with a general preference for those addressing international or high national priorities.

**Submission of manuscripts.** Authors are encouraged to submit their manuscripts with a covering letter by email to [bci.editor@mmu.ac.uk](mailto:bci.editor@mmu.ac.uk). Microsoft Word documents are preferred but other formats such as WordPerfect are also acceptable. Full instructions for authors can be found at <http://journals.cambridge.org/BCI>.

**Proofs.** The corresponding author will receive, by email, page proofs for checking which they are required to return within three days of receipt. Textual changes in proof cannot normally be countenanced and the publisher reserves the right to charge authors for excessive correction of non-typographical errors.

**Offprints.** A .pdf proof of the published article will be emailed to the first author unless otherwise requested; printed copies may be purchased if ordered at proof stage on the form provided.

**Copyright.** Authors of articles published in the journal assign copyright to BirdLife International (with certain rights reserved) and a copyright assignment form will be sent to the author for signature on acceptance of a paper.

*Printed in the United Kingdom, by the University Press, Cambridge*

This journal issue has been printed on FSC-certified paper and cover board. FSC is an independent, non-governmental, not-for-profit organization established to promote the responsible management of the world's forests. Please see [www.fsc.org](http://www.fsc.org) for information.
