

# ANDANTE TRAVELS

## THE EXPERTS IN ARCHAEOLOGICAL TRAVEL

Archaeological tours of integrity, devised and created by specialist archaeologists and arranged by people who have spent the past 22 years as archaeologists in the field of travel.

We consider minor as well as major sites and take care to alternate cityscapes with landscape archaeology and rural sites to create as complete a picture as possible of

cultures both ancient and modern.

Our tours are pitched at a level suited to those with minimal specific subject knowledge but high expectations, so that scholars in related fields will feel equally at home.

Andante takes trouble to choose authentic, comfortable hotels and provide good local food where possible.

## Before Scotland

*The Story of Scotland Before History*

Alistair Moffat

'Deserves to be very, very widely read'

– Professor Barry Cunliffe

The story of the land that became Scotland is, as Alistair Moffat describes in his gripping narrative, one of dramatic geological events and impressive human endeavour. Erudite and entertaining, this book – now available in paperback – ranges in time from the end of the Ice Age to the accession of King Constantine II, and sheds new light on a hitherto neglected period.

22 colour illustrations 23.5 x 15.6cm 352pp  
ISBN 978 0 500 287958 paperback **£12.95**

## Lost Languages

*The Enigma of the World's Undeciphered Scripts*

Andrew Robinson

'Masterly ... Clearly written, dispassionate and entertaining, this archaeological and linguistic detective story will appeal to anyone interested in ancient civilizations' – Brian Fagan

*Lost Languages* reports from the front lines of scholarship where obsessions, genius, occasional delusion and sometimes bitter rivalry are *de rigueur* among those competing for the rare honour of cracking ancient codes – and giving voice to forgotten worlds.

Illustrated throughout 23.2 x 18.7cm 352pp  
ISBN 978 0 500 514535 **£16.95**
