Polar Record (ISSN 0032-2474) is published six times yearly — in January, March, May, July, September, November — the six issues making a volume. First published in January 1931, *Polar Record* appeared twice yearly until July 1954, three times yearly until September 1987 and four times yearly until 2014. Scholarly contributions are invited on virtually all subjects of polar interest.

Contributions

All authors who would like to submit contributions for publication in *Polar Record* must send the Editor an electronic copy of the manuscript together with a covering letter. The submission must be saved in .doc or .rtf format, and should be sent via email to: polarrecord@cambridge.org

Subscriptions

Orders, which must be accompanied by payment, should be sent to any bookseller or subscription agent, or direct to the publisher:
