# LAW IN A GLOBAL CONTEXT

The accelerating globalization of law and legal practice places important new demands on legal education. At BC Law, our Global Law Program trains students for the needs of today, while giving them the skills and perspectives that anticipate the needs of tomorrow -- all delivered by a world-class faculty.

## Fostering Student Engagement with the World

- Specialities in: international business and commercial law, international environmental law, intellectual property, international taxation, and international human rights law
- International Semester-in-Practice Externship & Exchange Programs
- Clough Center for the Study of Constitutional Democracy

# To the Uttermost Parts of the Earth

LEGAL IMAGINATION AND  
INTERNATIONAL POWER, 1300–1870

Martti Koskenniemi

*To the Uttermost Parts of the Earth* shows the vital role played by legal imagination in the formation of the international order during 1300–1870. It discusses how European statehood arose during early modernity as a locally specific combination of ideas about sovereign power and property rights, and how those ideas expanded to structure the formation of European empires and consolidate modern international relations. By connecting the development of legal thinking with the history of political thought and by showing the gradual rise of economic analysis into predominance, the author argues that legal ideas from different European legal systems - Spanish, French, English and German - have played a prominent role in the history of global power.

INTERNATIONAL  
DISPUTE SETTLEMENT

A leading program in international dispute settlement, providing students with unparalleled theoretical knowledge and practical legal skills.

With a curriculum designed to meet the educational needs from the job market, its main features make the MIDS unique:

- **Faculty**  
Students learn from world-class professors and practitioners.
- **Alumni Network and MIDS Community**

Spread all over the world, they hold positions in top law firms, international courts like the ICJ, international organizations, arbitral institutions, justice and trade industries as well as law departments at universities. Formed not only by its alumni, the MIDS community also includes leading professionals in the field.

- **Career Services**

Individualized meetings, advice, mock interviews and strategy preparation to help MIDS students succeed in the field of international dispute settlement.

If you are interested in gaining a thorough understanding of international dispute settlement, then this program is for you.
