THE INDIAN
JOURNAL OF MEDICAL RESEARCH

Edited by THE DIRECTOR-GENERAL, INDIAN MEDICAL SERVICE, THE PUBLIC HEALTH COMMISSIONER WITH THE GOVERNMENT OF INDIA, and THE DIRECTOR, CENTRAL RESEARCH INSTITUTE, in collaboration with LEADING AUTHORITIES ON TROPICAL MEDICINE.

The Indian Journal of Medical Research is published quarterly. Each number contains about 200 pages and is illustrated with Plates in Colour and Half-tone and with Diagrams and Charts, and is the only medium publishing the results of the best medical research work being carried on by leading scientific medical men in India and the East.

THE PRINCIPLES AND PRACTICE OF THE DILUTION
METHOD OF SEWAGE DISPOSAL

By W. E. ADENEY, F.R.C.Sc.L., D.Sc., M.R.I.A., F.R.San.Inst.

With 4 plates and 11 figures. Demy 8vo. 12s. 6d. net

CAMBRIDGE PUBLIC HEALTH SERIES

A brief account of the investigations that have been carried out by the Royal Commission on Sewage Disposal, by the Metropolitan Sewerage Commission of New York, by the author and his co-workers, and by other workers, so far as they have led to the recognition of the principles which must underlie the successful application of the dilution method of sewage disposal.

The Journal of Hygiene is issued as material accumulates. A volume containing four numbers is issued annually in paper covers at the following net prices:

Volumes I—III (1901—3). 17s. 6d.

Volumes IV—XVI (1904—18), *excepting* Vol. VI, no. 4, Plague number. 25s.

Volume XVII (1918). 31s.

Volumes XVIII—XXVII (1919—1928). 42s. each.

Quotations can be given for buckram binding cases and for binding subscribers' sets; also for bound copies of back volumes.

Papers for publication may be sent to Prof. GEO. H. F. NUTTALL, F.R.S., Longfield, Madingley Road, Cambridge, or to the associate Editors. Other communications should be addressed to the University Press, Cambridge.

Papers forwarded to the Editors for publication are understood to be offered to *The Journal of Hygiene* alone, unless the contrary is stated.

Contributors receive fifty copies of their papers free. Additional copies may be had at cost price: these should be ordered when the final proof is returned.

The subscription price is £2. 2s. per volume (post-free), payable in advance; single numbers 12s. 6d. net. Subscriptions may be sent to any Bookseller, or to The Cambridge University Press, Fetter Lane, London, E.C. 4.

The Cambridge University Press has appointed the University of Chicago Press agents for the sale of *The Journal of Hygiene* in the United States of America and has authorised them to charge the following prices: Subscription \$10.00 per volume; single numbers, \$3.00 each.

Plague Numbers, Vol. VI. no. 4 (out of print), Vol. VII. nos. 3 and 6, and Vol. VIII. no. 2, Vol. X. no. 3, Price 6s. net each.

A series of Plague Supplements has been issued; the first four of these contain Reports VI—IX on Plague Investigations in India. They are, in pagination, completely independent of the Journal although subscribers to the latter receive copies without extra cost. Price of Plague Supplements, i. and ii. 7s. net each; iii. 10s. net; iv. and v. 7s. net each. Plague Supplements i, ii, iii can also be supplied bound in buckram, price 20s. net.
