Faith and Act

The Survival of Medieval Ceremonies in the Lutheran Reformation

53-1182LWC

\$36.99

The Reformation did not happen overnight, not with the singular act of posting of the Ninety-Five Theses, or even the presentation of the Augsburg Confession. Prof. Dr. Zeeden's classic study of how medieval church practices continued and developed within Lutheran church orders offers readers a unique perspective on how faith influences the act of worship. Historians of liturgy and theology will discover insights and important continuity between the Lutheran churches of the sixteenth century and their forebears of the late medieval period.

"Faith and Act [is] . . . a mix of exacting research and historiographical vision that may justly be viewed as one of the foundation texts of modern Reformation history."

C. Scott Dixon, Queen's University, Belfast

"Historians of liturgy and church discipline will welcome the reappearance of Zeeden's classic monograph, gracefully translated and with updated bibliographical references."

Ralph Keen, University of Illinois at Chicago

The Journey of Modern Theology

From Reconstruction to Deconstruction

Roger E. Olson

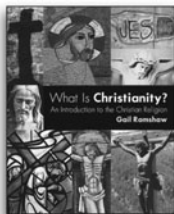

In this major revision and expansion of the classic *20th-Century Theology* (1992), coauthored with Stanley J. Grenz, Roger Olson tells the full story of modern theology from Descartes to Caputo, from the Kantian revolution to postmodernism, now recast in terms of how theologians have accommodated or rejected modernity.

"The book includes a more extensive treatment of nineteenth-century theology, and it engages in detail with contemporary postliberal, postmodern and deconstructive endeavors. . . . Extremely useful and helpful for beginning students."

Francis Schüssler Fiorenza,
Harvard Divinity School

NEW *from* BAKER ACADEMIC

978-0-8010-3965-2 • 192 pp. • \$19.99p

"John Fea's love of his craft is infectious and his knowledge of it inspiring. Serious readers of *Why Study History?* will find their own love and knowledge of history deepened in satisfying and fruitful ways. We are fortunate to have such a gifted public scholar in our midst."—**Eric Miller**, Geneva College

"Fea challenges both the careless discourse that passes for historical inquiry among many Christian groups and the conventional norms of the discipline he clearly adores. Those seeking greater clarity regarding the intrinsic value of historical study and its proper appropriation would be hard pressed to find a more valuable resource."—**Arlin C. Migliazzo**, Whitworth University

978-0-8010-4917-0 • 144 pp. • \$17.99p

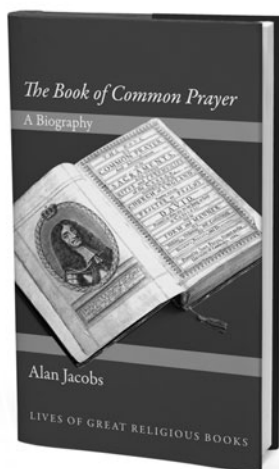

"Wengert's exposition of Luther is passionate, practical, and provocative—a marvelous exercise in theological and historical spring-cleaning in which long-standing half-truths and caricatures about Luther are exposed and discarded."—**John L. Thompson**, Fuller Theological Seminary

"Here we read Scripture with Luther and move beyond fundamentalistic and liberal perspectives. We encounter fresh approaches to authority, method, interpretation, and the practice of scriptural interpretation with Luther's biblical ethics. This is a fine work, engaging basic issues and providing a rediscovery of insights that are poised to awaken the academy and the church."—**Donald K. McKim**, editor of *The Cambridge Companion to Martin Luther*

The Book of Common Prayer

A Biography

Alan Jacobs

"The *Book of Common Prayer*, often thought of as a source of Anglican stability, has led an interesting life of many changes. Jacobs tracks them all like a shrewd detective."

—Garry Wills, author of *What the Gospels Meant*

"From pious aspiration to ruthless politics, and from bonfires of hated communion rails to the Star Wars prayer, the history of the *Book of Common Prayer*, in Alan Jacobs' hands, is both an education and a bright panorama. I can hardly remember another read so swift yet at the same time so helpful."

—Sarah Ruden, author of *Paul Among the People*
