
Forthcoming events

The European Association for the History of Psychiatry, the International Society for the History of the Neurosciences and the European Club for the History of Neurology are the organisers of an international conference being held in Switzerland on 14–16 September 1999 (Zurich) and 17–18 September 1999 (Lausanne). Entitled **Neurosciences and Psychiatry – Crossing the Boundaries**, the provisional programme of this congress of history covers topics such as: search machine (epistemology, research strategies, theoretical models, doctrine, machines); body–mind (animal spirits, temperaments, neurosciences, organicism, psychosomatics); and evolution and dissolution (neuropsychiatry, institutions, strategies). Further information: Puspa Agarwalla, Congress Secretary, Universitatsspital Zürich, Neurologie, Frauenklinikstrasse 26, CH-8091 Zürich, Switzerland (telephone: 00411 255 5543; fax: 00411 255 4429; e-mail: puspa.agarwalla@nos.usz.ch).

Integrative Developments in Psychotherapy is a joint one-day conference organised by the Royal College of Psychiatrists Psychotherapy Faculty and the British Psychological Society,

Psychotherapy Section. The conference will be held at the Royal Society of Medicine, London, on 9 October 1999 and there will be presentations on integrative developments in analytic psychotherapy, cognitive therapy, cognitive analytic psychotherapy, inter-subjectivity and reflective function and the significance of narrative for psychological therapies. Further information: Conference Unit, Royal College of Psychiatrists, 17 Belgrave Square, London SW1X 8PG (Telephone: 0171 235 2351; fax: 0171 245 1231).

The Royal Australian and New Zealand College of Psychiatrists, Faculty of Psychiatry of Old Age, would like to announce its **Annual Clinical Meeting** to take place in Sydney, Australia on 30 November–1 December 1999. The event precedes a two-day meeting of the Australasian Society for Psychiatric Research, and a Regional Meeting on 4–5 December 1999 of the World Federation of Societies of Biological Psychiatry. Further information: Associate Professor John Snowdon, Rozelle Hospital, Central Sydney Area Mental Health Service, PO Box 1, Rozelle, NSW 2039, Australia (fax: 00612 9818 5712; e-mail: jsnowdon@mail.usyd.edu.au).
