D. R. J. COLLIS BROWNE'S CHLORODYNE—This wonderful remedy was discovered by Dr. J. COLLIS BROWNE, and the word Chlorodyne coined by him expressly to designate it. There never has been a remedy so vastly beneficial to suffering humanity, and it is a subject of deep concern to the public that they should not be imposed upon by having imitations pressed upon them on account of cheapness, and as being the same thing. Dr. J. COLLIS BROWNE'S CHLORODYNE is a totally distinct thing from the spurious compounds called Chlorodyne, the use of which only ends in disappointment and failure.

D. R. J. COLLIS BROWNE'S CHLORODYNE—Vice-Chancellor Sir W. PAGE WOOD STATED PUBLICLY in Court that Dr. J. COLLIS BROWNE WAS UNDOUBTEDLY the INVENTOR of CHLORODYNE, that the whole story of the defendant was deliberately untrue, and he regretted to say it had been sworn to.—See *The Times*, July 13th, 1864.

D. R. J. COLLIS BROWNE'S CHLORODYNE is a LIQUID MEDICINE which ASSUAGES PAIN of EVERY KIND, affords a calm, refreshing sleep, WITHOUT HEADACHE, and INVIGORATES the NERVOUS SYSTEM when exhausted.

D. R. J. COLLIS BROWNE'S CHLORODYNE rapidly cuts short all attacks of **PILEPSY, SPASMS, COLIC, PALPITATION, Hysteria.**

Great Specific for

**CHOLERA, DYSENTERY,
DIARRHŒA.**

The GENERAL BOARD of HEALTH, London, REPORT that it ACTS as a CHARM, one dose generally sufficient.

Dr. GIBBON, Army Medical Staff, Calcutta, states—"TWO DOSES COMPLETELY CURED ME OF DIARRHŒA."

From SWILES & Co., Pharmaceutical Chemists, Medical Hall, Simla.—January 5th, 1880.

To J. T. DAVENPORT, Esq., 33 Great Russell St., Bloomsbury, London.

DEAR SIR—We embrace this opportunity of congratulating you upon the wide-spread reputation this justly esteemed medicine has earned for itself, not only in Hindostan, but all over the East. As a remedy of general utility, we much question whether a better is imported into the country, and we shall be glad to hear of its finding a place in every Anglo-Indian home. The other brands, we are happy to say, are now relegated to the native bazaars, and, judging from their sale, we fancy their equotment there will be but evanescent. We could multiply instances *ad infinitum* of the extraordinary efficacy of Dr. Collis Browne's Chlorodyne in Diarrhœa and Dysentery, Spasms, Cramps, Neuralgia, the Vomiting of Pregnancy, and as a general sedative, that have occurred under our personal observation during many years. In Choleraic Diarrhœa, and even in the more terrible forms of Cholera itself, we have witnessed its surprising controlling power. We have never used any other form of this medicine than Collis Browne's, from a firm conviction that it is decidedly the best, and also from a sense of

duty we owe to the profession and the public, as we are of opinion that the substitution of any other than Collis Browne's is a deliberate breach of faith on the part of the chemist to prescriber and patient alike.—We are, Sir, faithfully yours,
SYMES & CO.

Members of the Pharm. Society of Great Britain,
His Excellency the Viceroy's Chemists.

D. R. J. COLLIS BROWNE'S CHLORODYNE is the TRUE PALLIATIVE in **NEURALGIA, GOUT, CANCER, TOOTHACHE, RHEUMATISM.**

IMPORTANT CAUTION.

The IMMENSE SALE of this REMEDY has given rise to many UNSCRUPULOUS IMITATIONS.
