JANET NASH FELLOWSHIP

---

This new Fellowship has been sponsored by Mr. T. L. Mackie of Vaud, Switzerland, to enable Senior Registrars from the United Kingdom to work with Professor Ugo Fisch in Zürich for six months, with special experience in neuro-otology, facial nerve surgery and base of skull surgery. Two appointments will be made every other year.

The first two Janet Nash Fellowships have been awarded to Mr. Michael Gleeson, Senior Registrar at Guy's Hospital, London, to start in April 1985; and to Mr. Maurice Hawthorne, Senior Registrar in Bristol, to start in October 1985.

INTERNATIONAL COCHLEAR IMPLANT SYMPOSIUM AND WORKSHOP  
MELBOURNE, AUSTRALIA

You are invited to our International Cochlear Implant Symposium and Workshop—1985

From Wednesday, 28 August to Saturday, 31 August, the Symposium will provide up-to-date summaries and state-of-the-art reviews by invited speakers from a number of international centres on a comprehensive range of topics relating to the cochlear implant. These will include electrophysiology, histopathology, psychophysics, biocompatibility, engineering, speech processing strategies, speech production, pre-operative assessment, surgery, post-operative management and patient results, habilitation and rehabilitation of profoundly deaf children, sensory and communication aids for the profoundly deaf.

There will be an optional Cochlear Implant Surgery Workshop on Tuesday, 27 August, for a limited number of Otologists. Early registration is advised.

Free papers on basic or clinical cochlear implant research are invited. Abstracts of not more than 300 words are required by 1 March, 1985.
