

INDEX OF SUBJECTS

	PAGE
Actinomycosis, pathology of bovine	195
Africa, <i>see</i> East	
Agglutination reaction, its mechanism	485
Amboceptors and Receptors, study of	352, 365
Antigenic properties of vaccines	163
Antitoxic Sera, method of concentrating	388, 580
Australia, <i>see</i> Small-pox	
<i>Bacillus tuberculosis</i> , <i>see</i> Tuberculosis	
Birth and Death Rates	11, 17, 25, 33
Birth, <i>see</i> Children	
Carriers, <i>see</i> Meningococcus	
Cattle, <i>see</i> Actinomycosis. Dairy Stock	
Children, number born and sex, influence of grandparents' age on	127
Complement fixation in Tuberculosis	36
Complement, <i>see</i> Milk, Leprosy	
Cultivation of bacteria and indol production	401
Dairy stock, supply of non-tuberculous	51
Death and Birth Rates	11, 17, 25, 33
Dysentery, bacterial, in East Africa	565
East Africa, <i>see</i> Dysentery	
Exanthemata, <i>see</i> Scarlet Fever, Small-pox	
Fever, experimental studies on	169
Flies and Typhoid Fever	505
Immunity, heterologous, to malignant mouse tumours	352, 365
Immunity, <i>see</i> Agglutination, Amboceptors, Antitoxic, Complement, Fever, Leprosy, Meningococcus, Milk, Plague, Scarlet Fever, Vaccines	
Indol, <i>see</i> Cultivation	
Leprosy, Wassermann and Luetin reactions in	102
Luetin reaction, <i>see</i> Leprosy	
Media, <i>see</i> Cultivation	
Meningococcus carrier problem	405
,, identification in naso-pharynx	446
,, study of strains from spinal fluid and naso-pharynx	464
Milk, complement-stimulating substance in	1
,, <i>see</i> Dairy Stock	

	PAGE
Plague, inoculation against	64
„ outbreak in Colombo	527
Pneumonia, <i>see</i> Plague	
Rat, plague in Colombo	527
Receptors, <i>see</i> Amboceptors	
Scarlet fever, influence of age of parent on susceptibility of offspring .	209
Small-pox-like epidemic in Australia, 1914	315
Statistics, <i>see</i> Birth and Death, Scarlet Fever	
Streptococci, <i>see</i> Water Supplies	
Trypanosomiasis in N. Uganda	372
Tuberculosis of bones and joints in man, characters of bacilli found in .	257
„ genito-urinary tract in man, „ „ „	310
Tuberculosis, <i>see</i> Complement, Dairy Stock	
Typhoid Fever and Flies	505
Uganda, trypanosomiasis in Northern	372
Vaccines, effects of sterilization on	163
Vital statistics	11, 17, 25, 33, 127
Wassermann reaction in Leprosy	102
Water supplies, significance of Streptococci in	334
