To perpetuate the memory of the late Dr. Dan McKenzie a fund is being raised to name a Memorial Room in the new Nurses' Home at the Central London Nose, Throat and Ear Hospital, Gray's Inn Road, W.C.1, with which he was intimately associated for over thirty years. Gifts will be gratefully received by the Chairman, who will gladly send further particulars to anyone who may be interested.

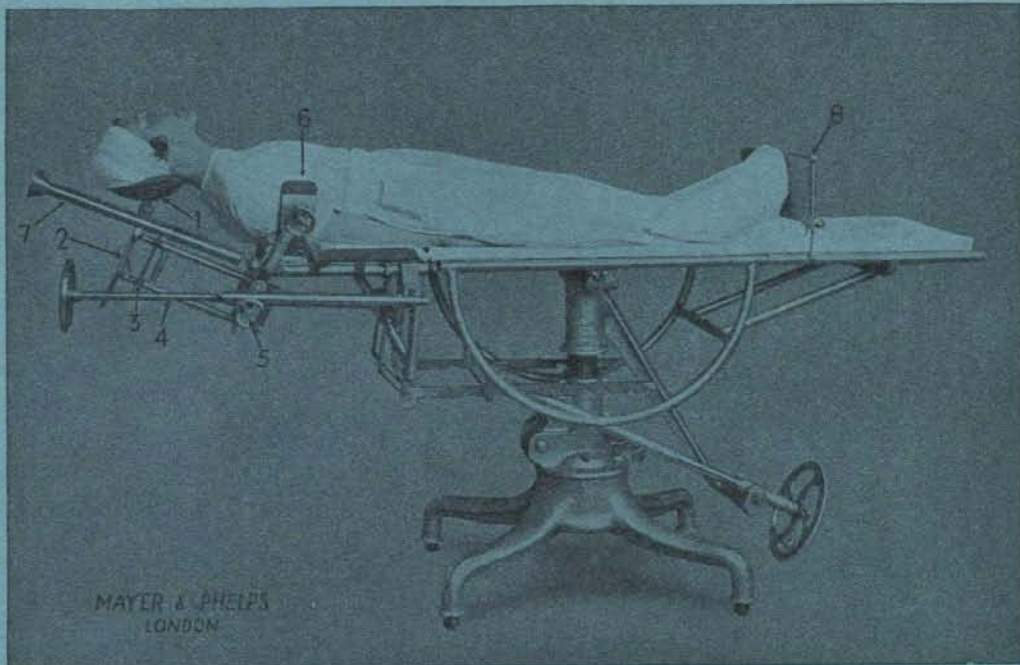

* * *

The third International Oto-rhino-laryngological Congress will be held in Berlin on August 17th to 22nd, 1936, under the presidency of Professor Dr. Carl von Eicken. The general Secretary is Professor Dr. K. Vogel, 11 Luisenstrasse, Berlin, N.W.7, from whom all further information may be obtained. The following subjects have been selected for discussion: (1) Radio-therapy of Malignant Tumours of the Nose and Throat. (2) Electro-Auditory Apparatus for Aids to Hearing and for Examination of Hearing. (3) The Influence of Constitution on Disorders of the Ear, Nose and Throat.

Peroral Endoscopy Table

Fitted with Head Rest for BRONCHOSCOPY, ŒSOPHAGOSCOPY,
NASAL OPERATIONS Etc.

Designed by V. E. NEGUS, M.S., F.R.C.S.

The head rest enables the operator himself to place the patient in the desired position for a variety of operations. All parts touched by the operator are sterilisable.

The apparatus is an elaboration of Haslinger's Bronchoscopic head rest, but its range of utility is extended to enable the patient to be supported with the shoulders beyond the end of the table for œsophagoscopy, and to be kept in the correct attitude during operations performed in the sitting or semi-sitting position.
