# Psychological Medicine

## Editors

Kenneth S. Kendler, Virginia Institute for Psychiatric Behavioral Genetics, Virginia, USA

Robin M. Murray, Institute of Psychiatry, London, UK

Now in its fifth decade of publication, *Psychological Medicine* is a leading international journal in the fields of psychiatry, clinical psychology and the related basic sciences. There are twelve issues per year, each featuring original articles reporting key research being undertaken worldwide, together with shorter editorials by distinguished scholars and an important book review section. The journal's success is clearly demonstrated by a consistently high Impact Factor.

# Irish Journal of Psychological Medicine

The official journal of College of Psychiatrists of Ireland

## Editor-in-Chief

Brendan Kelly, *University College Dublin, Ireland*

The *Irish Journal of Psychological Medicine* is the official research journal of the College of Psychiatry of Ireland. The journal's central objectives are: to disseminate the results of original scientific research to a national and international readership, to express the unique identity of Irish psychiatry, and to underscore the importance of cross-cultural differences in psychiatry.

The *Irish Journal of Psychological Medicine* publishes national and international research papers, editorials, review papers, case reports and book reviews.

## INSTRUCTIONS FOR CONTRIBUTORS

**SCOPE** *Epidemiology and Psychiatric Sciences* is an international, peer-reviewed journal published bimonthly from 2015. Formerly published as *Epidemiologia e Psichiatria Sociale*, established in 1992 by Michele Tansella, the journal gives priority to highly relevant and innovative research articles and systematic reviews in the areas of public mental health and policy; mental health services, system research; and epidemiological and social psychiatry.

A full instructions to authors is available at: <http://journals.cambridge.org/eps>

### EDITORIAL POLICY

EPS publishes the following article types:

- Editorials in this Issue
- Editorials
- Special Articles
- Original Articles
- Letters

The Editor will also consider Methodological Contributions, Systematic Reviews and Meta-analyses.

The following Sections may also appear in the journal:

- Contemporary Outsider Art
- Epidemiology for Clinical Psychopharmacology
- Epidemiology for Behavioural Neurosciences
- Instruments

All submissions must be in English.

All submissions require the following statements: Acknowledgements, Financial Support, Conflict of Interest, Ethical Standards. Full details can be found on the EPS website <[journals.cambridge.org/eps](http://journals.cambridge.org/eps)>

All contributions are accepted for publication after external peer review.

### SUBMISSION OF MANUSCRIPTS

Authors may submit their **Original Articles** or **Letters to the Editor** online via the website:

<http://mc.manuscriptcentral.com/eps>

**All other paper types require the author to be invited via the online submission system, and should not be submitted online without consultation with the appropriate Editor as detailed on the inside front cover.**

If you have any questions about the submission of your manuscript please contact the Editorial Office, Lynet Smith, at [lsmith@cambridge.org](mailto:lsmith@cambridge.org)

A covering letter should give full mailing and email contact details of the author who will handle correspondence. Please pay attention to the format of all submitted papers (including word count of main text and Abstract, and reference list). Consult the Instructions for Contributors that are online at <http://journals.cambridge.org/eps> and EPS papers already published, as examples. Submission of a paper will be held to imply that it contains original work that has not been previously published and that it is not being submitted for publication elsewhere. The papers published in EPS are protected by copyright and cannot be published elsewhere without written permission given by the Publisher.

**PROOFS AND OFFPRINTS** Page proofs will be sent to the author designated to receive correspondence. Corrections other than to printer's errors may be charged to the author. All papers are published in their final version in the *FirstView* page of EPS before being printed. A final PDF will be sent to the corresponding author when the article is published.

Detailed instructions for authors can be found on the EPS website <[journals.cambridge.org/eps](http://journals.cambridge.org/eps)>
