CLR COLLECTION

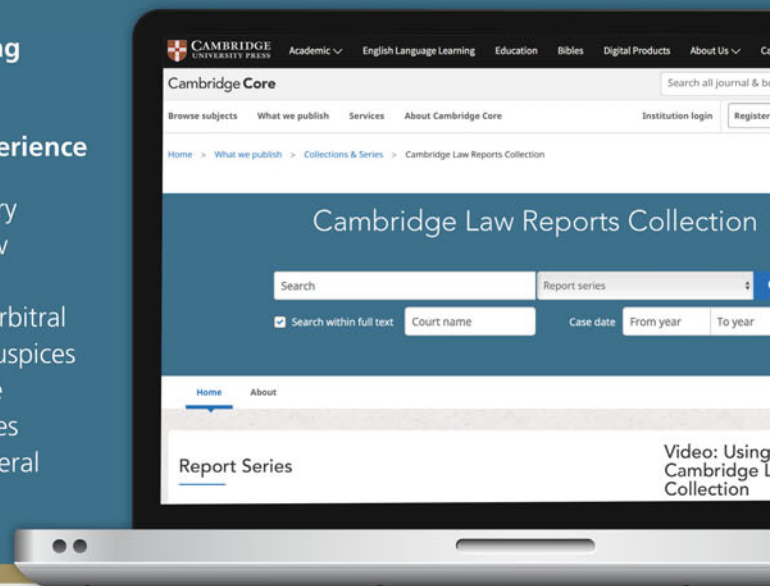

**CAMBRIDGE
LAW REPORTS
Collection**

Joining the wealth of Law books and journals on Cambridge Core, Cambridge Law Reports Collection (CLR) is the home for International Law Reports (ILR) and International Centre for the Settlement of Investment Disputes Reports (ICSID) online.

With the move to Core, there are a number of functionality improvements:

- enhanced reporting capabilities
- easier and more powerful searching
- improved accessibility standards
- enriched multi-device reading experience

ILR is an essential holding for every library providing even minimal international law coverage, and ICSID provides the only comprehensive published collection of arbitral awards and decisions given under the auspices of the World Bank's International Centre for the Settlement of Investment Disputes or pursuant to other multilateral or bilateral investment treaties.

For more information about CLR, including setting up a free trial, contact your usual library sales representative or email:
