Note to Subscribers:

This edition of *International Labor and Working Class History*, No. 13, should have been published in May, 1978, in order to keep up with the policy of biannual sequence. As indicated in the last issue, however, the delay has been occasioned by the tragic death of Bob Wheeler on December 23, 1977. This number is dedicated to his memory.

It gives us pleasure to announce that henceforth *ILWCH* will be edited and published under the supervision of the University of Pittsburgh, with Professor David Montgomery as editor. All enquiries concerning future numbers of the journal should be addressed to him at:

Department of History
University of Pittsburgh
Pittsburgh, PA 15260

Heartfelt thanks are also expressed to the University of Southern California for the sustained support which it has given to *ILWCH* since the time of its inception by the late Robert Wheeler.
