“Johnny is a blue-collar spy whose real-life exploits are more daring than those of any fictional James Bond, and who is on the scene at more history-making events worldwide than Woody Allen’s peripatetic ‘Zelig.’ His story is a primer on the spy’s tradecraft as well.”

**—Charles D. Ameringer,
author of *U.S. Foreign Intelligence:
The Secret Side of American History***

Johnny A Spy’s Life

R. S. Rose and Gordon D. Scott

“Johnny fought against injustice and tyranny all his life. We are lucky to have had him in Brazil and he is one of many unsung heroes in the ‘silent service.’”

—Neil Pollock, former RCMP case officer
and handler of Johnny de Graaf

Johann Heinrich Amadeus de Graaf, known as Johnny all his life, was born on May 11, 1894, in Nordenham, in northwest Germany. He died at age 86 in Brockville, Ontario, where he and his wife ran a tourist lodge. That he lived as long as he did is miraculous, considering that he had spent many years acting as a double agent—pretending to work for Soviet intelligence while really functioning as an operative for Britain’s MI6.

His life had many twists and turns, and murder, treachery, intrigue, and violence were never far from his doorstep. Eventually joining the Spartacus Bund in 1919, which evolved into the German Communist Party, he later became a staunch anti-Communist and played a key role in undermining the efforts of Communists in Brazil to oust the government of Getúlio Vargas in 1935. After retiring from MI6, he even volunteered his services to the FBI’s J. Edgar Hoover in 1950.

Based on documents from multiple government archives as well as many interviews, including a series that Gordon Scott conducted with Johnny in 1975–76, this story of the life of a spy who hid behind sixty-nine different aliases during the course of his career is a gripping tale of espionage and counterespionage during a critical period of the political history of the twentieth century.

New from Stanford University Press

Democratic Governance in Latin America

Edited by
SCOTT MAINWARING and
TIMOTHY R. SCULLY

“Democratic Governance in Latin America is a great book on an important topic. It helps fill a substantial gap in the scholarly literature: it examines what democracies actually do, rather than what—according to some observers—they should do, and it seeks to advance toward measurement based on actual, observable policy outcomes.”

—Kurt Weyland,
University of Texas at Austin
\$29.95 paper \$85.00 cloth

Indigenous Citizens

Local Liberalism in Early National Oaxaca and Yucatán

KAREN D. CAPLAN

“Based on truly impressive and original archival research, this book gives us a fascinating look at the negotiations and compromises that take place in local arenas in the process of state formation. Caplan undertakes the difficult task of comparative history and makes a significant contribution to the growing literature on nation building in Mexico.”

—Francie R. Chassen-López,
University of Kentucky

FORGETTING THE ALAMO, OR, BLOOD MEMORY

A Novel

By Emma Pérez

"In her riveting second novel, Emma Pérez captures well the violence and the chaos of the southwest borderlands during the times of territorial and international disputes in the 1800s. . . . Pérez vividly depicts the conflicts between nations with the authority of a historian and with language belonging to a poet. A fine, fine read."

—Helena María Viramontes, author of *Their Dogs Came with Them*

Unequal Partners

The United States and Mexico

by SIDNEY WEINTRAUB

"Weintraub provides evidence that it's not easy to manage the relationship between these two countries, but by looking at past experience, he suggests ways that both can be far more effective in doing so. The lessons will be extremely important to scholars and policymakers in both countries and to anyone concerned with how developing and developed countries can manage complex but unequal relationships."

Electing Chávez

The Business of Anti-neoliberal Politics in Venezuela

by LESLIE C. GATES

"Most explanations of the rise of Hugo Chávez focus on failed institutions and policies. *Electing Chávez* shifts attention to the private sector, which discredited itself in the public eye with scandals and even helped finance the Chávez campaign. Although other observers have suspected that these factors played a role, Gates is the first to provide comprehensive, systematic evidence."

—Michael Coppedge,
University of Notre Dame

ILLUMINATIONS: CULTURAL
FORMATIONS OF THE AMERICAS

Without History

*Subaltern Studies,
the Zapatista Insurgency,
and the Specter of History*

by JOSÉ RABASA

"Rabasa's groundbreaking essays on the EZLN and Tepoztlán [are] exemplary instances of subaltern discourse and struggle. Drawing on Marx, Gramsci, and contemporary subaltern theory, Rabasa argues for a conceptualization of the indigenous as outside history, capitol, and the state. This book is obligatory reading for those concerned with critical theory and Latin American cultural studies."

— Cynthia Steele,
University of Washington

Paper • \$26.95 • 978-0-8229-6019-5

ILLUMINATIONS: CULTURAL
FORMATIONS OF THE AMERICAS

Liberalism at Its Limits

*Crime and Terror in the
Latin American Cultural Text*

by ILEANA RODRÍGUEZ

"A tense and intricate weave that connects cultural studies with political science and history. State failures turn out to be over-determined by the inherent flaws in liberalism itself, magnified into outright breeches of reason in Latin America, and by the inauspicious context that tries liberalism."

— Doris Sommer,
Harvard University

Tufts University

Congress Theme

The U.S. financial crisis of 2008 quickly became a global economic crisis. It destroyed jobs, increased poverty and disease, exacerbated social tensions, raised skepticism about the efficacy of democratic governance, led to policy experimentation, complicated efforts to deal with global problems multilaterally, and fueled civil and international conflict. The impact of the crisis in Latin America has varied from country to country, community to community, even neighborhood to neighborhood. In Latin America, the crisis was both reminiscent of previous crises but also different, in terms of transmission mechanisms, impact, and responses. Understanding the effects of the crisis, and the varied responses to it, calls for insights from multiple disciplines. Recovery, when it comes, will be shaped by the way citizens, governments, and international organizations understand the causes and consequences of the crisis itself.

Claims Policy: Domestic and non-U.S. claims for missing issues must be received within 90 days of the publication date. Issues returned “undeliverable” are available for re-shipment at cost of new postage.
