General Notes

The Proceedings of the Second International Tinnitus Seminar, copies of which were distributed with the December 1984 issue of this Journal, were provided with the compliments of the American Tinnitus Association.

COURSE IN TEMPORAL BONE DISSECTION

Sponsored by the Department of E.N.T. from SAN JUAN DE DIOS HOSPITAL, BARCELONA (Spain) and the PORTMANN FOUNDATION, BORDEAUX (France)

BARCELONA, 15-17 APRIL, 1985

A three-day course in wet Temporal Bone Dissection designed for the practising Otologist who wants to refresh his surgical technique and to learn advanced surgical procedures.

Each dissection in the well-equipped temporal bone laboratory will be preceded by videotape instruction and closed circuit television demonstration.

Stress will be placed on temporal bone dissection and individualized instruction, with a minimum of lectures.

TUITION: \$230 (US), Limited Enrollment

For registration and further information, please write to:

PEDRO CLAROS, M.D., Ph.D., Department of E.N.T. Hospital San Juan de Dios 08034-BARCELONA SPAIN

FIFTH HEAD AND NECK SURGICAL COURSE

to be held at GUY'S HOSPITAL, LONDON SE1

Monday 8 July - Friday 12 July

This course comprises a series of lectures, video-films and dissections of the cadaver to cover a number of surgical procedures in the head and neck.

The areas covered are the salivary gland; the thyroid; radical neck dissection; the larynx and dissections of the mandible and rhinoplasty. One session will be devoted to the laser.

Course fee £200.

Cheques should be made payable to Guy's Hospital Medical School and sent to the Course Supervisor:

Mr O. H. Shaheen, Dept of Ear, Nose and Throat Surgery, Guy's Hospital, Thomas' Street, London SE1

INTERDISCIPLINARY SALIVARY GLAND SYMPOSIUM, EDINBURGH, 8–10 MAY 1985

A three-day symposium on salivary gland disease will be held in the Royal College of Surgeons of Edinburgh from 8–10 May 1985.

The Faculty will include major authorities from the fields of otolaryngology, general surgery, oral surgery and medicine, and pathology.

The Secretary,

The Frances Brenda Thornley Foundation,

9/11 Lorne Street, Manchester M13 0EZ.

TEMPORAL BONE SURGICAL DISSECTION COURSE

OFFERED BY

THE DEPARTMENT OF OTORHINOLARYNGOLOGY

THE UNIVERSITY OF MICHIGAN MEDICAL SCHOOL, ANN ARBOR, MICHIGAN

MALCOLM D. GRAHAM, M.D.—COURSE DIRECTOR

25-29 March 1985

15-19 April 1985

16-20 September 1985

7-11 October 1985

4-8 November 1985

Intensive one-week courses emphasize the surgical and anatomical approaches to the temporal bone, and are presented in a manner relevant for the otologic surgeon, utilizing lectures, videotapes, and dissection.

Mornings and afternoons are spent in the dissection laboratory, giving extensive drilling experience in temporal bone anatomy and surgical techniques. All instruments and high-speed handpieces will be provided.

Course fee is \$1.000.00.
