Prize Laureates / Selected Medical
and Historical Chronology / Index*

The colorful and stirring saga of medicine, as told in this enlightening new book, embodies a stimulating concept in the writing of the history of medicine. Reflecting the author's lifelong enthusiasm for this discipline, A PRELUDE TO MEDICAL HISTORY traces the evolution of medical ideas in relation to the history of civilization, capturing the romance and magnificence of the vast panorama of medicine. In telling the epic of the physician through the ages, the author brings to life through the magic of story-telling, the places and times, persons and events, from prehistory to the present, which framed the great moments of the history of medicine. For physicians, educators, students, and all those interested in this important facet of man's cultural heritage, this book promises a surprising new enjoyment of the splendid pageant of medicine.
