

## **Russian Literature Since the Revolution**

Revised and Enlarged Edition

*Edward J. Brown*

Long recognized as the best on its subject, Edward J. Brown's book is now thoroughly revised and updated. It provides a comprehensive treatment of Russian literature, including underground and émigré writings, from 1917 to the early 1980s.

"The best account in any language of the complex development of Soviet literature. A penetrating and subtle, yet consistently lucid study of all the important writers, works, movements, and periods, informed with a constant awareness of the interactions of literature, society, and politics."—Robert A. Maguire

"Brown's interpretation is profound, erudite, spirited. The 1982 edition includes five new and brilliant chapters which tell the last decade's rich, wondrous, bitter story of a great literature torn by censorship and exile."—Vera S. Dunham

## **Turgenev**

His Life and Times

*Leonard Schapiro*

This definitive biography of the enigmatic Ivan Turgenev is based on new sources that have recently come to light in France and Russia. It is a graceful and meticulous portrayal of the artist's life in which his personal, political, and artistic concerns emerge whole.

"A compact but definitive and finely-shaded portrait... No one wishing to learn about Turgenev could have a better or more readable guide."—Joseph Frank, *Washington Post Book World*
