European Association of Behaviour Therapy Student Exchange Scheme

Students who wish to study abroad should initially contact Dr. L. E. Burns, Birch Hill Hospital, Rochdale OL16 9QN, who will supply details of the scheme. At present, EABT is unable to provide finance to promote exchange visits. Arrangements exist with EABT members in Denmark, Sweden, West Germany, Italy and France.

Education and Treatment of Children

The first issue of this new journal appeared in the autumn of 1977. It takes over from *Schools Applications of Learning Theory* and expands its interest to applying learning theory to situations outside classrooms. The aim is to publish articles of practical relevance to all who work with children.

ETC will be published four times a year. Subscription \$8.00.

Workshops 1979

The B.A.B.P. is intending to make some changes in the organisation of its workshops next year. In 1979 we are hoping to run a series of workshops designed for smaller groups than previously and covering more specific areas. It is hoped that this will provide greater benefit both for the participants and for the workshop leaders. If any member has any suggestions of suitable topics on which a workshop could be run or is willing to run one themselves, could they send the information to Rod Holland, Senior Clinical Psychologist, Alton Health Centre, Anstey Road, Alton, Hampshire.

Wessex Branch Meeting

The Wessex Branch's Annual Symposium will be held on Friday, 24th November, at the Castle, Winchester. Papers will cover the areas of, Behavioural approach to child abuse, Teacher/child interaction, Clinical management of school refusal. Speakers will include Bill Yule, Bill Reaveley, H. Cameron, P. Chetwyn.

Further information from Rod Holland, Senior Clinical Psychologist, Alton Health Centre, Anstey Road, Alton, Hampshire.
