--	-----

ERRATUM: The editors wish to express their sincere regret that Tony Martin's article "Rescuing Fanon from the Critics" was inadvertently omitted from the cover table of contents in the December 1970 issue of the REVIEW.

The official name of the journal of the African Studies Association has been changed from the African Studies Bulletin to the African Studies Review. For the convenience of librarians and others, the periodical will continue to be numbered consecutively from the last issue of the African Studies Bulletin.
