## CORRESPONDENCE.

## A COMPARISON OF THE GAINS FROM INVESTMENTS IN BONDS AND IN S'IOCKS.

To the Editors of the Journal of the Institute of Actuaries.
Sirs,- In connection with the recent paper by Mr. H. E. Raynes (J.I.A., vol. lix, p. 21) on the subject of investments in Ordinary Stocks and Shares as compared with investments in Fixed Interest bearing securities, the figures given below, which represent the actual experience of 25 American Fire Insurance Companies, may be found interesting. The total gains, namely, the interest $\pm$ the difference in market value, have been ascertained from the official returns year by year for the 18 years 1908-1925, and the combined results for each year and the average for the whole period are shown in the following table in which the total gains are given as a percentage on the original cost :

| Year | Toial gains |  | Year | Total Gains |  |
| :---: | :---: | :---: | :---: | :---: | :---: |
|  | From Bonds | From Stocks |  | From Bonds | From stocks |
| 1908 | $\%$ |  | 1917 | $\stackrel{\%}{1}$ | $\%$ |
| 1909 | $4 \cdot 32$ | 11.59 | 1918 | $3 \cdot 20$ | $2 \cdot 66$ |
| 1910 | $2 \cdot 96$ | $\cdot 80$ | 1919 | $2 \cdot 84$ | $4 \cdot 73$ |
| 1911 | $4 \cdot 34$ | 6.45 | 1920 | $2 \cdot 57$ | $4 \cdot 67$ |
| 1912 | $3 \cdot 00$ | 6.60 | 1921 | $7 \cdot 68$ | $2 \cdot 80$ |
| 1913 | .75 | -4.62 | 1922 | $7 \cdot 83$ | $12 \cdot 07$ |
| 1914 | $5 \cdot 52$ | 4.35 | 1923 | $3 \cdot 40$ | $4 \cdot 66$ |
| 1915 | $4 \cdot 18$ | $9 \cdot 73$ | 1924 | $8 \cdot 63$ | 1792 |
| 1916 | 6.05 | 6.32 | 1925 | 5.36 | 17.71 |
| Average for the whole period |  |  |  | $4 \cdot 63$ | $7 \cdot 12$ |

Preference Stocks are not distinguished from Ordinary Stocks in the official returns, but an analysis has been made of the detailed lists for certain particular years and the book values of Bonds, of all Stocks, and of Preference Stocks for those years have been found to be as shown in the following table :

| Year | Book Value. <br> Bonds | Book Value. <br> All Stocks | Book Value. <br> Preference Stocks |
| :---: | :---: | :---: | :---: |
| 1908 | $36,552,484$ | $\$$ <br> 1913 | $57,792,571$ |
| 1918 | $103,942,549$ | $53,621,820$ | $\$$ |
| 1923 | $161,087,555$ | $66,529,317$ | $7,307,578$ |
| 1926 | $167,155,825$ | $106,756,377$ | $10,235,855$ |

## Yours faithfully,

[^0]
