Cup Head Drawings, 2023, by Eddie.

Eddie

Eddie is a prolific artist who draws daily on anything at his disposal, often to give away to others. He frequently uses paper cups. The drawings on the cups are people around him and those he thinks about whilst listening to music on his headphones. The faces often belong to the same individual who he attempts to capture differently each time he draws them.

Eddie's works can be viewed at:
<https://bethlemgallery.com/artists/eddie/>
