NOTICE TO CONTRIBUTORS

Contributions, which may deal with any aspect of medical history or bibliography, are invited. The maximum length for original articles is about 10,000 words. Previously unpublished texts and documents, short papers, and bibliographical notes and queries will also be welcomed.

Manuscripts should be typewritten with double spacing and wide margins. The Editor reserves the right to make literary corrections. Captions or legends of illustrations should include particulars of their source and should be typed on a separate sheet. No particular style of bibliographical citation is insisted upon, but contributors are asked to pay special attention to the accuracy of their references.

A galley proof, which should be corrected and returned to the Editor as quickly as possible, will be sent to every contributor of an original article.

Contributors will receive fifty reprints free of cost. Particulars of the cost of additional reprints will be sent with galley proofs.

Manuscripts, review copies of books and reprints, and correspondence relating to the publication of papers should be addressed to the Editor, *Medical History*, c/o William Dawson & Sons Ltd., 16 West Street, Farnham, Surrey.
