

Prevention

The Prevention Course in HAI Knowledge and Control (Prevention CHKC) educates frontline personnel in essential healthcare-associated infection prevention practices. Modules are online, concise, interactive, and compelling.

MODULES

Clean Hands

CAUTI & CLABSI

Clean Environment

Pneumonia

Occupational Health

MRSA & MDROs

Diagnostic & Antibiotic Stewardship

C. difficile

Precautions & PPE

Surgical Site Infections

Prevention CHKC is free for SHEA members and \$25 for non-members.

The Prevention Course in Healthcare-Associated Infection Knowledge and Control (Prevention CHKC) is supported in full by an educational grant from Becton, Dickinson and Company (BD).
