THE PREHISTORIC SOCIETY

The Society was originally founded in 1908 as the Prehistoric Society of East Anglia. The scope of the Society's work gradually expanded until, at the Annual General Meeting in 1935, the local designation was dropped from its title.

THE PROCEEDINGS

The series of *Proceedings* published by the Society under its earlier name was terminated by volume VII, part III, issued in January, 1935.

The New Series began with Vol. I, issued in December, 1935. Vol. II has been issued as two parts and this will be the normal practice.

Back numbers of the *Proceedings* can be supplied, with certain exceptions, on application to the Honorary Secretary, Selwyn College, Cambridge.
