

Parasitology

Volumes 1–18 were published by Blackwell Scientific Publications Ltd., Oxford.

The following volumes were published by Cambridge University Press:

19. *Parasites as Biological Control Agents* edited by R. M. Anderson and Elizabeth U. Canning, 1982, as Volume 84 Part 4.

20. *The Reproductive Biology of Parasites* edited by P. J. Whitfield, 1983, as Volume 86 Part 4.

21. *Parasite Evasion of the Immune Response* edited by R. M. E. Parkhouse, 1984, as Volume 88 Part 4.

22. *Chemotherapy of Parasites* edited by D. A. Denham, 1985, as Volume 90 Part 4.

23. *Parasites and Molecular Biology: Applications of New Techniques* edited by A. J. G. Simpson, 1986, as Volume 92 Supplement

24. *Pathophysiological Responses to Parasites* edited by M. E. Rose and D. J. McLaren, 1987, as Volume 94 Supplement

25. *Molecular Transfer across Parasite Membranes* edited by C. Arme and L. H. Chappell as Volume 96 Supplement.

26. *Vaccines and Vaccination Strategies* edited by D. J. McLaren and L. H. Chappell, 1989, as Volume 98 Supplement.

27. *The Evolutionary Biology of Parasitism* edited by A. E. Keymer, A. F. Read and L. H. Chappell, 1990, as Volume 100 Supplement.

28. *Parasite Neurobiology* edited by D. W. Halton and L. H. Chappell, 1991, as Volume 102 Supplement.

29. *Human Parasitic Disease: The Complementary Roles of Field and Laboratory Studies* edited by D. A. P. Bundy and L. H. Chappell, 1992, as Volume 104 Supplement.

30. *The Impact of Global Change on Disease* edited by W. Hominick and L. H. Chappell, 1993, as Volume 106 Supplement.
