Sure there are lots of tours to China, but where will you find tours like *these*?

The "China market" is dominated these days by the big, commercial tour operators—you select a departure date from Column A, an itinerary from Column B, as on a Chinese menu. But who do you travel *with*, and who do you meet when you *get* there? Special Tours is the original operator of tours to China, and ever since we began back in 1972, we've had the best groups, best tour leaders, best arrangements in China, and the best *travelers*! All at the fairest prices. Consider . . .
