Advancing research. Increasing access.

Informed by detailed consultation with the library and research communities, we are constantly developing our industry-leading online journals platform.

Some recent advances include:

- **Refreshed site design,** facilitating rapid access to the most relevant content.
- **New advanced search interface** and a more detailed, fielded guick search function.
- Enriched content in the form of multimedia companions and editorial blogs.
- The launch of Cambridge Open Option, our open access initiative. Visit journals.cambridge.org/openoption for more information.

CAMBRIDGE

Medicine

The classic textbook on cardiac anatomy

First prize in the
2006 British Medical
Association Book awards

Surgical Anatomy of the Heart Third Edition

Benson R. Wilcox Andrew C. Cook Robert H. Anderson

Presenting the classic textbook on cardiac anatomy, invaluable to surgeons, cardiologists, anaesthetists, and surgical pathologists.

Topics covered include the normal surgical anatomy of the cardiac chambers, heart valves, and the system for circulation and conduction within the heart. The detailed text provides the essential anatomical knowledge required to assess and interpret the malformations, lesions, abnormalities, and positional anomalies illustrated.

Full colour surgical and pathological photographs accompany almost all of the anatomical descriptions, and detailed colour drawings help to explain concepts and simplify complex descriptions.

'This well written text is accompanied by beautifully clear colour photographs. ... beautiful illustrations and excellent writing making a book that can be strongly recommended to anybody seriously interested in the practice of cardiac surgery.'

British Journal of Surgery

£155.00 | HB | 9780521861410 2005 | 328 pages | 530 illustrations

Submitting Your Manuscript

Submission to *Cardiology in the Young* is exclusively via the web-based peer review system, *CTY* Manuscript Central. Submission online enables rapid review and allows online manuscript tracking.

We invite all authors to submit online only any <u>NEW MANUSCRIPTS</u> that are to be considered for publication in *Cardiology in the Young*.

Please use the following URL: http://mc.manuscriptcentral.com/cty

Full instructions for uploading your manuscript are provided on the CTY Manuscript Central website.

Instructions for Authors

For guidance on how to structure your submission, and all related *CTY* editorial requirements, please see the **Instructions for Authors** file, available via the Instructions & Forms link on the *CTY* Manuscript Central website:

http://mc.manuscriptcentral.com/cty

If you require any assistance, please contact the *CTY* Editorial Office: ctyedoffice@cambridge.org

Bulk Article Reprints

Reprints of articles published in this journal can be purchased for use by your company or organisation. These reprints can be produced as straight article reprints or with custom designed covers and, if required, the sponsor's name printed on or inside the cover. Reprints represent a versatile sales tool for the distribution of up-to-date information on your particular areas — via your sales force, direct mail campaigns and as handouts at major conferences and commercial exhibitions. Reprints can usually be delivered to clients 2-4 weeks after the receipt of the order.
