## EDITORIAL POLICY

*Epidemiology and Infection* publishes reports of research and original findings in subjects related to infectious diseases. Particular emphasis is given to the epidemiology, prevention and control of such diseases, but the field covered is broad and includes microbiological, virological, immunological, clinical and social aspects of infectious diseases of man and animals.

## SUBSCRIPTIONS

*Epidemiology and Infection* (ISSN 0950-2688) is published monthly, 12 parts forming a volume, by Cambridge University Press, The Edinburgh Building, Shaftesbury Road, Cambridge CB2 8RU, UK/Cambridge University Press, 32 Avenue of the Americas, New York, NY 10013-2473, USA. The subscription price (excluding VAT) including electronic access of Volume 137 (2009) is £700 net (US \$1375 in the USA, Canada and Mexico). The electronic-only price available to institutional subscribers is £565 (US \$1100 in USA, Canada and Mexico). Single parts are £57 (US \$112 in the USA, Canada and Mexico) plus postage. The print-only price available to institutional subscribers is £620 (US \$1220 in the USA, Canada and Mexico). Back volumes are also available.

Orders, which must be accompanied by payment, may be sent to a bookseller, subscription agent or direct to the publisher: Cambridge University Press, The Edinburgh Building, Shaftesbury Road, Cambridge CB2 8RU, UK; or in the USA, Canada and Mexico: Cambridge University Press, Journals Fulfillment Department, 100 Brook Hill Drive, West Nyack, New York 10994-2133. EU subscribers (outside the UK) who are not registered for VAT should add VAT at their country's rate. VAT registered subscribers should provide their VAT registration number. Japanese prices for institutions are available from Kinokuniya Company Ltd, PO Box 55, Chitose, Tokyo 156, Japan. Prices include delivery by air.

Periodicals postage paid at New York, NY, and at additional mailing offices.

POSTMASTER: send address changes in the USA, Canada and Mexico to: *Epidemiology and Infection*, Cambridge University Press, 100 Brook Hill Drive, West Nyack, New York 10994-2133. Claims for missing issues should be made immediately on receipt of the subsequent issue.

## COPYING

This journal is registered with the Copyright Clearance Center, 222 Rosewood Drive, Danvers, MA 01923, USA. Organizations in the USA who are also registered with C.C.C. may therefore copy material (beyond the limits permitted by sections 107 and 108 of U.S. Copyright law) subject to payment to C.C.C. of the per-copy fee of \$16.00. This consent does not extend to multiple copying for promotional or commercial purposes. Code 0950-2688/2008 \$16.00.

*ISI Tear Sheet Service*, 3501 Market Street, Philadelphia, PA 19104, USA, is authorized to supply single copies of separate articles for private use only.

Organizations authorized by the Copyright Licensing Agency may also copy material subject to the usual conditions.

*For all other use*, permission should be sought from Cambridge or the American Branch of Cambridge University Press.

## Internet Access

This journal is included in the Cambridge Journals Online service which can be found at [journals.cambridge.org](http://journals.cambridge.org). For further information on other Press titles access [cambridge.org](http://cambridge.org)

Printed by Bell & Bain, Glasgow, UK.

# CALL FOR PAPERS

## Methicillin-resistant *Staphylococcus aureus* (MRSA) in the community

Issue date: early 2010, with papers published in advance online.

Issue editors: Dr. Tyrone Pitt and Professor Katharina Stärk

A themed Special Issue on community MRSA, including veterinary aspects, is planned on this topical and increasingly important subject.

### Topics

Any aspect of the epidemiology of community MRSA, particularly:

- Clinical experience and burden in different countries
- Basic epidemiological studies on community MRSA
- Clinical and outbreak management of the infection
- Screening for community MRSA
- Veterinary aspects of community MRSA

### Paper types

- Original Research
- Short papers
- Review Articles

### Submission guidelines

Submit your article via <http://mc.manuscriptcentral.com/hyg> clearly specifying your article is for the community MRSA issue. All submitted papers will initially be assessed by one of the two Editors and, if suitable, by independent reviewers.

Please ensure your article follows our instructions for contributors at <http://journals.cambridge.org/hyg> paying particular attention to reference format.

### Submission deadline

Please submit your paper as soon as possible, and at the latest by **15 August 2009**. Articles will be rapidly published online after acceptance, allowing maximum exposure before their appearance in the printed issue.

We look forward to receiving your papers on this important subject.

NORMAN NOAH
