STUART PHARMACEUTICALS

Dear Reader:

The distinguished physicians in the Working Group established the "Guidelines for Prevention of Surgical Wound Infection," and their input has been presented to the Center for Disease Control (CDC).

Stuart Pharmaceuticals feels these Guidelines are so pertinent to your daily work procedures that we elected to sponsor this special Supplement to Infection Control®.

We hope this complimentary copy of the Guidelines will provide as much assistance to your efforts in controlling infections in your hospital as does our antimicrobial skin cleanser, HIBICLENS® (chlorhexidine gluconate).

If you need an extra copy of this issue, please write to me.

Sincerely,

John E. Shaughnessy  
Product Manager
