Cambridge University Press, 20 November 2018

Keywords: Treatment-resistant depression; augmentation; psychological therapy; psychopharmacology; systematic review; corrigendum.

In the original version of this article, it was incorrectly stated in the abstract that the pharmacological therapy used had CI 1.80–1.30. This should have been CI 1.08–1.30.

The article has been updated to reflect this both online and in print.
