

# Australian Wildlife Research

*Australian Wildlife Research* is a journal for the publication of original contributions, having Australian relevance, to knowledge of the biology and management of wildlife vertebrates, including studies of their habitats, biological surveys, and description and assessment of laboratory techniques. All papers are refereed.

The Journal is published by the Commonwealth Scientific and Industrial Research Organization.

All inquiries and manuscripts should be forwarded to the Editor-in-Chief, Australian Wildlife Research, 314 Albert Street, East Melbourne, Victoria, 3002.

The Notice to Authors is published in the first issue of each volume. Copies are available on request.

## **Subscription Information**

*Australian Wildlife Research* is published three times a year. Annual subscription rates for 1984 are as follows: \$A45 (surface), \$A51 (airmail).

---
