

RECUSANT HISTORY

IS THE JOURNAL OF THE CATHOLIC RECORD SOCIETY

The Catholic Record Society is the only society which exists to make available in print the material necessary for the study of Catholic history in England and Wales since the Reformation — essential for a proper understanding of the history of these countries. Its printed sources are also indispensable to local and family historians and to those engaged in biographical studies or local history.

Membership covers the Society's research journal, *Recusant History*, which is published twice a year, in May and October, and/or the annual volumes of source material (both records and monographs). All members receive the annual report and details of the Society's annual conference at Oxford. Membership enquiries to:

The Hon. Sec., Miss Rosemary Rendel,
5/24 Lennox Gardens, London, SW1X 0DQ,
or:
c/o 114 Mount Street, London, W1Y 6AH

Back issues of Catholic Record Society publications should be ordered direct from William Dawson & Sons Ltd, (Back Issues Department), Cannon House, Park Road, Folkestone, Kent, who can also supply information about availability and prices either of originals or of reprints where these have been produced.
