AMERICAN ANTIQUITY publishes original papers on the archaeology of the New World and closely related subjects. Articles and "Facts and Comments" should be submitted to the Editor, memoirs should be submitted to the Associate Editor for Memoirs, publications for review to the Associate Editor for Reviews, and information for "Current Research" to the appropriate Assistant Editor for Current Research. Contributors to AMERICAN ANTIQUITY should consult "Information for Authors," which is published at least once a year. AMERICAN ANTIQUITY is not available for exchange.

AMERICAN ANTIQUITY is published quarterly in July, October, January, and April by the Society for American Archaeology at the University of Utah Printing Service, Salt Lake City, Utah 84112. Entered as second-class matter June 1, 1951, at the Post Office, Salt Lake City, Utah, under the Act of March 3, 1879. Subscription is by membership in the Society for American Archaeology. Annual dues for individual members are \$10.00; for institutional members, \$12.00. Both types of members receive AMERICAN ANTIQUITY and other regular publications of the Society as issued. Address requests for membership or other information to the Secretary. Send instructions for change of address to Society for American Archaeology, 1530 P Street, N.W., Washington 5, D.C. See inside back cover for information on ordering back issues of AMERICAN ANTIQUITY and other publications of the Society that are still in print.
