

Church History
Studies in Christianity and Culture

INSTRUCTIONS FOR CONTRIBUTORS

Send manuscripts and books for review to the editorial office. Manuscripts should run 6,000–11,000 words (or approximately 30–35 pages), not including endnotes, and should be printed double-spaced in 11- or 12-point font; endnotes must be printed double-spaced on separate pages following the text. The editors request an electronic submission (either by email attachment or by 3½" disk or cd-rom sent to the address below) of the following items:

(1) the manuscript (in order to protect the author's anonymity during the review process, the author's name should appear only on the title page of the essay);

(2) a 200-word abstract (this is used during the review process and if *Church History* publishes the essay, the abstract may be included on the *Church History* web page at www.churchhistory.org).

Please see www.churchhistory.org/churchhistoryguidelines.html for further manuscript submission guidelines. The editors will consider submissions of 70–90 pages for publication as "extended articles." Persons wishing to submit such manuscripts should query before sending them.

Please address any questions to:
Monica Reed, senior assistant to the editors

MARTIN LUTHER'S UNDERSTANDING OF GOD'S TWO KINGDOMS

A RESPONSE TO THE CHALLENGE OF SKEPTICISM

William J. Wright

9780801038846 • 208 pp. • \$29.99p

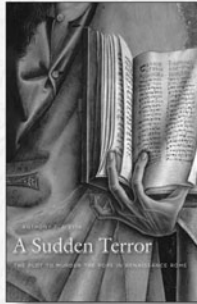

"Too often the two kingdoms are invoked and not understood. That is not the case here. Professor Wright has offered us a learned and revolutionary new assessment of Luther's understanding of the two kingdoms. This book will be required reading for anyone seeking to explore Luther on this topic for years to come."—**David M. Whitford**, United Theological Seminary

"By placing Luther's concept against the background of his confrontation with skepticism, Wright produces a new vantage point for assessing Luther's framework for guiding human action in this world. Luther's insights are shown to be helpful in addressing the biblical view of daily life to twenty-first-century problems. This commends Wright's study to audiences with a wide variety of interests in implementing the Christian faith in our culture."—**Robert Kolb**, Concordia Seminary, Saint Louis

A SUDDEN TERROR

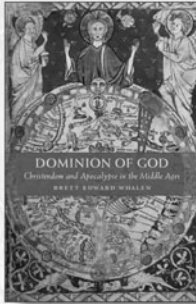

The Plot to Murder the Pope in Renaissance Rome

ANTHONY F. D'ELIA

"D'Elia painstakingly establishes the plausibility of such a conspiracy by deftly employing an array of distinct but related causes and showing how they could easily coalesce to bring down the Barbo pontificate. And in doing this he paints a portrait of mid 15th-century Rome that is illuminating and serves as a corrective to those who hold the jaundiced and indefensible view that the papacy is constitutionally irreformable and that things have never been worse in Rome than they are now."

—Michael W. Higgins,
Literary Review of Canada

DOMINION OF GOD

Christendom and Apocalypse in the Middle Ages

BRETT EDWARD WHALEN

Brett Whalen explores the compelling belief that Christendom would spread to every corner of the earth before the end of time. During the High Middle Ages—an era of crusade, mission, and European expansion—the Western followers of Rome imagined the future conversion of Jews, Muslims, pagans, and Eastern Christians into one fold of God's people, assembled under the authority of the Roman Church. Starting with the eleventh-century papal reform, Whalen shows how theological readings of history, prophecies, and apocalyptic scenarios enabled medieval churchmen to project the authority of Rome over the world.
