The authors regret that they incorrectly cited the source of financial support in the original publication. The acknowledgment should have read: This study was supported by the Health Promotion Fund, Ministry for Health, Welfare and Family Affairs, Republic of Korea (08-23) and a grant of the Korea Healthcare Technology R&D Project, Ministry for Health, Welfare & Family Affairs, Republic of Korea (A050079).

There was an error in Table 4. The BMI predictor for the Rosengren *et al.* (2005) study should be: <20, 20–22.4 (reference), 22.5–24.9, 25–27.4, 27.5–29.9, ≥ 30
