Craig A. Evans
Cloth, \$19.95

Sound New Testament interpretation depends on familiarity with and understanding of ancient primary sources. In what is sure to become a standard resource for students of NT interpretation, Professor Evans pulls together the essentials of date, language, text and translations, and general bibliography.

The Reverend Dr. Bruce Chilton of Bard College comments: "The publication of Professor Evans's book is an event of first importance for advanced students of the New Testament everywhere.... [This book] shows

today, this axiom was no less true in the ancient Near Eastern world. In *Religion and Culture in Ancient Israel*, Dearman explores this dynamic interplay in the religious practices of Israel. For any student of the living religion of Israel and the culture that it shaped (and by which it was shaped), Dearman offers a cogent and thought-provoking inquiry

Barrett, *Romans* [rev.] — *Mark* signals a welcome new standard in New Testament commentaries.
