

George I. Quimby, Jr., Chicago Natural History Museum, Chicago 5, Illinois.

Waldo R. Wedel, U. S. National Museum, Washington 25, D. C.

2. List of officers for which nominations will be made: President-Elect (one-year term, will serve as President in 1964-65); Secretary (four-year term, will take office in 1964); two members of the Executive Committee (two-year terms, 1963-65).

3. Reminder that members may suggest the names of candidates for these offices to the Nominating Committee before December 1, 1962.

ANNOUNCEMENT OF THE 28TH ANNUAL MEETING

The 28th Annual Meeting of the Society for American Archaeology will be held jointly with that of the American Association of Physical Anthropologists, on the campus of the University of Colorado at Boulder on May 2, 3, and 4, 1963.

The deadline for all papers is February 1, 1963. The following information must be supplied to the Chairman of the Program Committee by that date: title, abstract of not more than 100 words, type of slides or other illustrative material, full details on projection equipment necessary, map and artifact display requirements, and any other special needs. The abstracts will be reproduced and distributed with the program. Address all communications concerning the program to Program Chairman, Society for American Archaeology, Department of Anthropology, University of Colorado, Boulder, Colorado. No papers will be accepted for the 28th Annual Meeting after February 1, 1963.

The Harvest House Hotel will serve as headquarters for the meeting. Reservations for rooms must be made directly with the hotels and motels in Boulder. Further details on housing will be supplied by mail at a later date.

The 29th Annual Meeting will be held at the University of North Carolina, Chapel Hill, in May, 1964.

ARCHIVES OF ARCHAEOLOGY

NATIONAL SCIENCE FOUNDATION

The National Science Foundation announces that the next closing date for receipt of basic research proposals in the social sciences is February 1, 1963. Proposals received prior to that date will be reviewed at the spring meetings of the Foundation's advisory panels and disposition will be made approximately four months following the closing date. Proposals received after the February 1, 1963, closing date will be reviewed following the summer closing date of May 1, 1963. Inquiries should be addressed to the Division of Social Sciences, National Science Foundation, Washington 25, D.C.
