THE RENAISSANCE IN ENGLAND.

Nondramatic Prose and Verse of the Sixteenth Century

Edited by Hyder E. Rollins and Herschel Baker, Harvard University

A superb new collection based on a fresh examination of the earliest printed and manuscript sources. Concise introductions and two full glossaries, one of English words, one of proper names and foreign words and phrases, provide all the information the student needs for a ready understanding of the texts. About 1000 pages. Late fall

BEOWULF, with The Finnesburg Fragment

Edited by C. L. Wrenn, University of Oxford

This scholarly new edition, with relatively short and simplified apparatus, presents in manageable form all the materials necessary for the beginning student. 318 pages. \$4.25

COLLEGE READING:

A Collection of Prose, Plays, and Poetry

Edited by George Sanderlin, University of Maine

A new omnibus reader for freshman English classes. The readings are analyzed from the point of view of a writer as well as a reader. The informal introductions will appeal to students. 863 pages. \$4.50

**LA NOVELA
IBEROAMERICANA**

Edited by
Arturo Torres-Rioseco, Ph.D.

\$3.00

Thirteen noted scholars collaborated to produce this first study, in Spanish, of the Iberoamerican novel—its past, present and future. Within this broad perspective, literary authorities attending the Fifth Congress of the International Institute of Ibero-American Literature delivered the papers included here, evaluating the genre and nationalist aspects of the Latin American novel, and penetrating into the works of specific outstanding novelists. Invaluable information on theme, style, movement, as well as historical and psychological facts.

**ALFONSO
DE VALDÉS
AND THE
SACK OF ROME**

By John E. Longhurst, Ph.D.
in collaboration with
Raymond R.
MacCurdy, Jr., Ph.D.

\$3.50

This modern English version of the *Dialogue of Lactancio and an Archdeacon*, written by 16th century Spanish Humanist Alfonso de Valdés, treats of the harrowing events of the furious sack of Rome by troops of Emperor Charles V in 1527. An extensive introduction describes the political background, the circumstances surrounding the dialogue in which Valdés defends his royal employer, and the ultimate fate of the dialogue and Valdés at the hands of the Spanish inquisition. Volume I in the important Hispanic Sources Series, which will feature the dialogue of *Mercury and Charon*, selections from Juan Luis Vives and Juan Ginés de Sepulveda, and a modern English edition of the great Spanish drama, the *Celestina*.

HAWTHORNE'S FAUST

A Study of the Devil Archetype

by

William Bysshe Stein

This book stresses a unifying mythology veiled by the enchantment of romantic novels and tales. By adapting the Faustian symbol to his fiction, Hawthorne was able to explore the intensity of mankind's struggle with the evil in its own heart. Recognition of the universality of this inner conflict determined the tragic tone of Hawthorne's work. . . . Dr. Stein presents a unified and provocative interpretation of the moral universe of Nathaniel Hawthorne.

McGraw-Hill Presents

THE BOSWELL PAPERS

Though Boswell died in 1795, he proved to be a modern literary sensation when the first two of a series of his recovered manuscripts, lost for almost 200 years, appeared. McGraw-Hill is proud to announce another valuable contribution to this series of literary masterpieces with the publication of a new volume in "The Yale Editions of the Private Papers of James Boswell" under the brilliant editing of FREDERICK A. POTTLE.

THE HUMANITIES

By LOUISE DUDLEY, Stephens College, and AUSTIN FARICY. 518 pages, \$6.00

Thoroughly revised, this successful text is greatly improved in the Second Edition. Greater emphasis has been placed on the aesthetic qualities of a work of art in comparison with factual or historical material about it; most chapters have been almost completely rewritten for greater clarity and significance in terms of the experience of students; and illustrations have been included and changed to bring the text completely up to date.

MSS. WANTED

We are seeking manuscripts for our publishing program devoted exclusively to *scholarly* and *specialized* studies.

What we offer is a *complete publishing service* at low cost to the author, a service that begins with careful copy-editing and ends only when we have explored all possible avenues of sales and income for your volume, including the sale of British, foreign, and all other subsidiary rights.

Effective promotion starts with news releases and carefully selected review media both here and abroad. Intelligent publicity on the author and his book is backed up with advertising on an institutional basis.

Distribution of our books is complete and thorough. Sales representatives cover all important bookstores and libraries in the U. S. and Canada. This activity is supplemented by a great deal of direct-mail literature to general and *specialized* book purchasers.

In brief, what we are offering can effectively bring to light scholarly and specialized studies of interest and value. If you have a manuscript that fits this description, it will be worth your while to consult with us about publication. For further information write to

modern tools for modern language teachers

Many successful language instructors have greatly expanded their effectiveness and have more time available for individual students through the use of audio-visual equipment.

The language laboratory represents the proper integration of audio-visual tools into a well organized teaching plan.

We have designed engineered and installed complete language laboratories to meet the particular requirements of many schools, large and small. We will be pleased to consult with you on your requirements.

The following components of typical language laboratories are also available separately:

- Tape and disc recording equipment
- Film strip, slide and movie projectors
- Recordings, films, pictorials

Small schools and individual teachers are particularly invited to write for more information on our new Portable Laboratory.

When in Washington, be sure to visit our complete demonstration classroom

Vol. 9. Lawrence S. Thompson. *Wilhelm Waiblinger in Italy*. 1953. Pp. 105. Paper \$3.00.

In Wilhelm Waiblinger, the Swabian poet who died before his genius reached maturity, Dr. Lawrence S. Thompson, director of libraries at the University of Kentucky, has found a colorful personality representative of many trends in romantic and post-romantic German literature, an interpreter of Italy who epitomized all that Italy meant to his age, and a poet who deserved a better reputation than he has enjoyed for over a century. To all who are devotees either of Italy or of German romantic verse an acquaintance with Wilhelm Waiblinger's work is a rich and rewarding experience.
