

## Subscription Requests

### Free Subscriptions

Individuals requesting subscriptions, or wishing to change their address, should contact MTsubscriptions at:

**AssociationManagement@microscopy.org**

### Subscription Policies

- Microscopists in the United States are eligible for gratis mail subscriptions.
- Microscopists in Canada and Mexico may subscribe to the print edition for \$25US.
- Microscopists in the rest of the world may subscribe to the print edition for \$35US.
- Microscopists in outside the United States may request gratis email alerts to the digital edition.
- Microscopists anywhere in the world may view the digital edition at the *Microscopy Today* website shown at the bottom of this page.

### Digital Edition

- The digital edition is an exact replica of the print edition, advertisements and all.
- Features include dynamic pages with live webpage and email links, a word-level search function, and variable page magnification to enlarge both text and figures.

*Microscopy Today* has articles about:

- Innovative instruments and methods
- Applications in various fields
- Hints and tips for novices and experts
- Protocols in microscopy and microanalysis
- Microscopy facilities descriptions
- Meetings and courses
- Success stories in microscopy education
- Historical microscopy and pioneers
- Industry news and product news
- Humorous situations
- Opinions of our readers

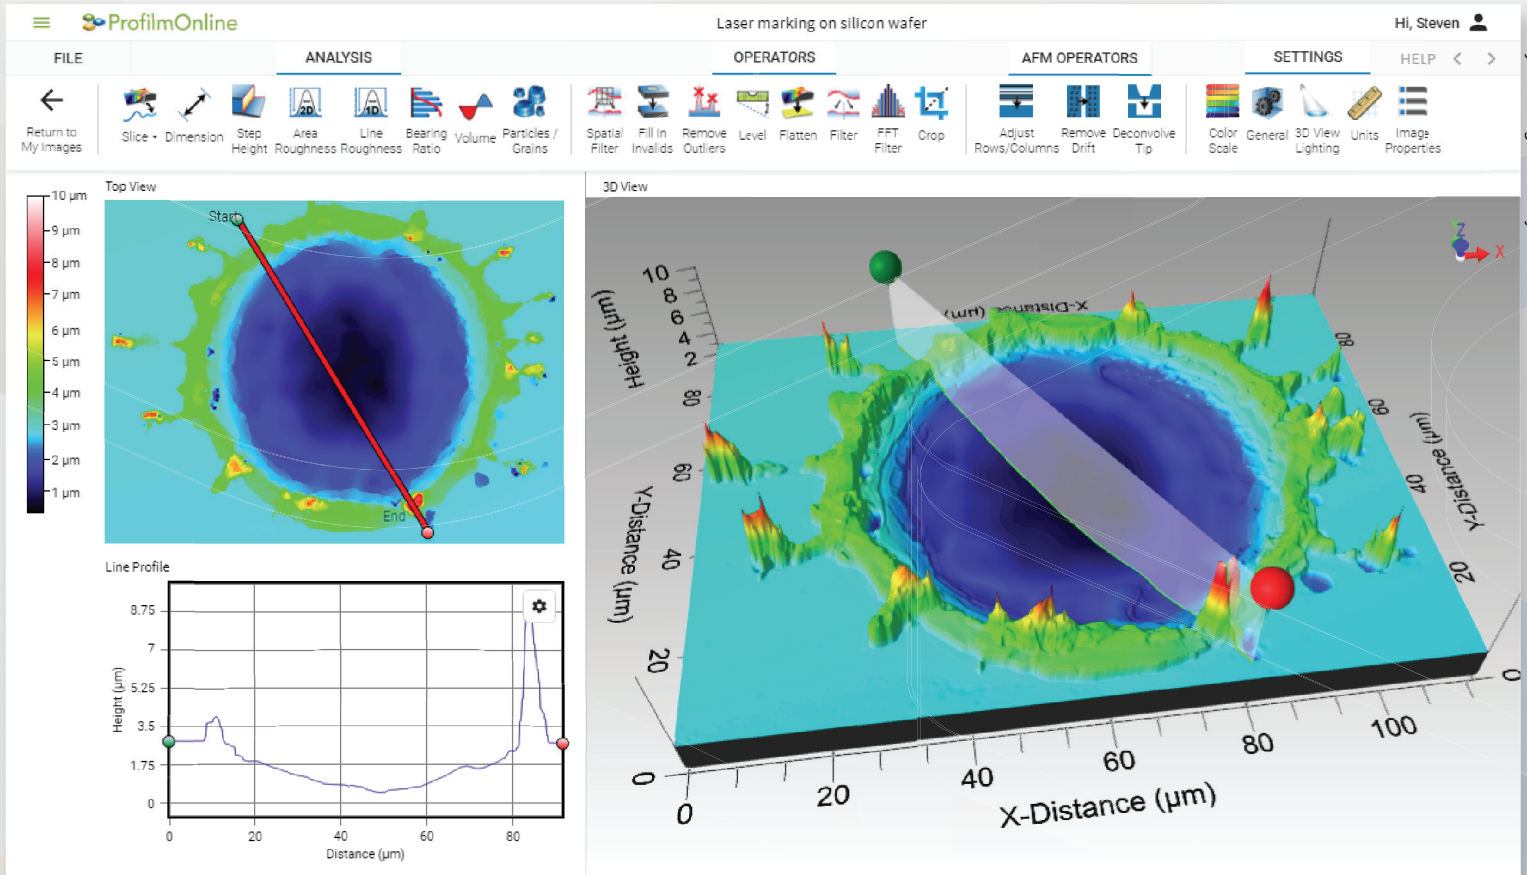

### Subscription Customer Service

To change your address or your subscription profile, call 703-234-4115 or send an email request to [associationmanagement@microscopy.org](mailto:associationmanagement@microscopy.org).

# NEW! Free Browser-based 3D-Image Viewer & Analyzer:

Use ProfilmOnline to view, analyze, and share interactive 3D images from AFMs, profilometers, and other 3D microscopes—quickly with any desktop or mobile device!

- Rotate, pan, and zoom
- Filter, flatten, remove drift, adjust rows/columns, etc.
- Measure step heights, roughness, grains & particles, bumps & holes, and much more
- Stitch together multiple images

Join in seconds, or just check out the 100s of fascinating images at ProfilmOnline.com
